

Meeting of:	Licensing Sub-Committee
Date of Meeting:	Tuesday, 12 October 2021
Relevant Scrutiny Committee:	Homes and Safe Communities
Report Title:	Grant of a Premises Licence
Purpose of Report:	To consider an application under the Licensing Act 2003 for a Premises Licence.
Report Owner:	Licensing Authority
Responsible Officer:	The Licensing Authority
Elected Member and Officer Consultation:	Statutory Consultation
Policy Framework:	This is a matter for decision by the Licensing Act 2003 Sub Committee
<p>Executive Summary:</p> <ul style="list-style-type: none"> To consider an application under the Licensing Act 2003 ("the Act") for the grant of a Premises Licence at Sea View Convenience Store, Unit 1 Esplanade Buildings, Friars Road, Barry, CF62 5TJ, submitted by Personal Licence Training Limited on behalf of Mr Ranjit Singh. 	

Recommendations

- 1.** The Sub-Committee is required to determine the application having regard to the Council's Statement of Licensing Policy, the Guidance issued by the Home Office, the application and any representations submitted.

If minded to grant the application, the Sub-Committee is requested to confirm whether any additional conditions are to be imposed or only those which are consistent with and set out in the operating schedule. Section 10 of the Home Office Guidance relates to conditions attached to Premises Licences. Mandatory conditions apply to the licence in respect of a Designated Premises Supervisor, age verification policy and authorisation by personal licence.

Reason for Recommendations

- 1.** To advise the Members of the relevant options available to them under the Licensing Act 2003 in determining the matter.

1. Background

- 1.1** The Licensing Act 2003 centres around four licensing objectives. The objectives are:

The prevention of crime and disorder
Public Safety
The prevention of public nuisance
The protection of children from harm

- 1.2** Current status of premises.

- 1.3** A premises licence was in force for Unit 1 Esplanade Buildings issued under the Licensing Act 2003 and operated in the style of a café and bar. Whilst that licence had been surrendered by the previous holder, it was reinstated by way of transfer of licence and the licence holder is Mr Ranjit Singh. Whilst a premises licence is currently in force, it does not prevent the Sub-Committee from considering a fresh application from Mr Singh for the grant of a licence in the circumstances set out below.

- 1.4** On 15th July 2021 Licensing Officers visited and found the premises was closed and being refurbished as a shop. The officers spoke to a member of staff who said that they were planning to open in September. Advice was given that the new owner should contact licensing in regard to the Premises Licence.

- 1.5** On 29th July 2021 Licensing were advised by South Wales Police that the premises were open as a shop and selling alcohol. The report of the Officer who attended the premises was sent by email and photographs were included. A copy of the email and photographs is attached at Appendix A.

- 1.6** Later that day Officers from Licensing and South Wales Police visited the premises. There was clearly a large stock of alcohol in the shop although following a previous visit by Police Officers, it had mostly been covered and was not being sold.
- 1.7** Mr Ranjit Singh, the new owner and applicant, was advised that he would need to apply for a new licence as, due to the changes in layout and type of business, he would not be able to comply with the conditions of the licence were he to open the shop and sell alcohol to the public.
- 1.8** On 18th August 2021 the Licensing Authority received an application for the grant of a Premises Licence for Sea View Convenience Store, Unit 1 Esplanade Buildings, Friars Road, Barry, CF62 5TJ. A copy of the relevant parts of the application form is attached at Appendix B to this Report.

2. Key Issues for Consideration

- 2.1** Application process
- 2.2** The application was advertised in accordance with the regulations. The period for making representations ended on 15th September 2021.
- 2.3** Under The Licensing Act 2003 (Premises and Club Premises Certificates) Regulations 2005 a Responsible Authority or any other person may make relevant representations at any time during the 28 day consultation period.
- 2.4** On 14th September 2021 a representation was received from South Wales Police. A copy of the representation is attached to the Report at Appendix C.
- 2.5** Nine representations were received from other persons during the consultation period. A copy of the representations is attached to the Report at Appendix D. The representations have been anonymised for the purposes of publication of this report.
- 2.6** The authority is only empowered to consider relevant representations as defined in Section 18 (6) of the Licensing Act 2003 that is, "representations which are about the likely effect of the grant of the premises licence on the promotion of the licensing objectives" which are not deemed frivolous or vexatious.
- 2.7** A Premises Licence, once granted, will generally remain in force indefinitely. The circumstances in which it will not do so are when:

It is revoked; or

The applicant requests a licence for a limited time only; or

It is suspended; or

It lapses due to some incapacity on the part of the licence holder; or
It is surrendered.

- 2.8** This matter has been referred to a Sub-Committee for determination as officers do not have the delegated authority to determine applications where relevant representations have been received and not withdrawn.
- 2.9** Operating Schedule
- 2.10** Applicants are required to complete the Operating Schedule set out in the application form. The importance of the operating schedule is that it not only sets out the steps the applicant intends to take to promote the licensing objectives, but these steps will be also translated into conditions of licence, if the application is approved.
- 2.11** The Guidance issued under Section 182 of The Licensing Act 2003 makes a number of recommendations to assist applicants in completing the Operating Schedule. They include point 8.41 that requires that applicants 'be aware of the expectations of the licensing authority and the responsible authorities as to the steps that are appropriate for the promotion of the licensing objectives, and to demonstrate knowledge of their local area when describing the steps they propose to take to promote the licensing objectives.'
- 2.12** It further states that 'applicants are also expected to undertake their own enquiries about the area in which the premises are situated to inform the content of the application'.
- 2.13** Point 8.42 of the statutory guidance states;
- 2.14** Applicants are, in particular, expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives, that they understand:
- the layout of the local area and physical environment including crime and disorder hotspots, proximity to residential premises and proximity to areas where children may congregate;
 - any risk posed to the local area by the applicants' proposed licensable activities; and
 - any local initiatives (for example, local crime reduction initiatives or voluntary schemes including local taxi-marshalling schemes, street pastors and other schemes) which may help to mitigate potential risks.
- 2.15** Whilst the Operating Schedule of this application includes a number of widely used conditions, it does not make any reference to the location or local circumstances of the area the premises is situated.
- 2.16** Background information

- 2.17** A number of the representations make reference to the Public Spaces Protection Order in force in Barry Island. For information, Barry Island Seafront has been covered by a Public Space Protection Order (PSPO) since September 2017. The Order was renewed by Council on 7 December 2020 and a copy of the Current Order and relevant Map attached to this report at Appendix E.
- 2.18** In terms of the representations received, Members are advised that the adoption of a PSPO does not have the effect of banning the sale or consumption of alcohol in an area which it covers.
- 2.19** However, the Council must be satisfied with certain conditions prior to adopting a PSPO; in summary that alcohol related anti-social behaviour and criminal activities have been carried out within the specified areas. It must also be able to demonstrate that this behaviour has a detrimental effect on the quality of life of those in the locality, and it is likely that these activities will be carried out within the designated area.
- 2.20** In addition, the Council must also be satisfied that the effect or likely effect of the activities is, or is likely to be, of a persistent or continuing nature and that these activities are unreasonable and justify the restrictions imposed by this Order and that it is in all the circumstances expedient to make this Order for the purpose of reducing crime and/or anti-social behaviour in a public place. The full details are attached for information in Appendix E.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** This report relates to a regulatory function.

4. Resources and Legal Considerations

Financial

- 4.1** Fees associated with the issue of Licences are set in statute and support the administration and enforcement of the Licensing Act 2003 functions.

Employment

- 4.2** None

Legal (Including Equalities)

- 4.3** Section 18 of the Licensing Act 2003 provides as follows;

18 Determination of application for premises licence

(1) This section applies where the relevant licensing authority—

(a) receives an application for a premises licence made in accordance with section 17, and

(b) is satisfied that the applicant has complied with any requirement imposed on him under subsection (5) of that section.

(2) Subject to subsection (3), the authority must grant the licence in accordance with the application subject only to—

(a) such conditions as are consistent with the operating schedule accompanying the application, and

(b) any conditions which must under section 19, 20 or 21 be included in the licence.

(3) Where relevant representations are made, the authority must—

(a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and

(b) having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.

(4) The steps are—

(a) to grant the licence subject to—

(i) the conditions mentioned in subsection (2)(a) modified to such extent as the authority considers necessary for the promotion of the licensing objectives, and

(ii) any condition which must under section 19, 20 or 21 be included in the licence;

(b) to exclude from the scope of the licence any of the licensable activities to which the application relates;

(c) to refuse to specify a person in the licence as the premises supervisor;

(d) to reject the application.

4.4 The Licensing Authority has therefore determined that the application meets the requirements of both the Licensing Act 2003 and its Guidance and can be processed accordingly.

4.5 The Licensing Act 2003 Sub-Committee should have regard to the Vale of Glamorgan Council's Statement of Licensing Policy, and pay particular attention to Sections 3, 7, 8, 12 and 20. There are no specific policies relating to the area for this type of application.

5. Background Papers

The Licensing Act 2003; The Secretary of State's Guidance issued under Section 182 of the Licensing Act 2003; Regulations to the 2003 Act; Vale of Glamorgan Council's Statement of Licensing Policy.

Importance: High

Good Morning All.

Can you please see the below email of concern sent by PC Steve Powell, the Barry Island neighbourhood officer, regarding the new shop that has opened up on the site of the old Coffee Cove.

I'm bringing this to your attention as they are operating on the Coffee Cove licence that is still in the name of the previous operator.

There is likely to be a transfer of licence request come in soon
I will ensure the other members of the Police licensing team are cited on this.

Many thanks

Subject: CONCERN NEW NON LICENCED PREMISES BARRY ISLAND WITHIN A PSPO AREA.

Evening,

It is with disappointment that I write this evening. On Friars Road Barry Island there was a premises known as Coffee Cove.

As I understand it the proprietor, [redacted] had difficulties and ceased trading a while ago. Over the past few weeks we have observed a team of workers in the building. We have had interaction with the people who explained that the building was being turned in to a shop that was going to sell groceries and alcohol. Checks were made with Vale of Glamorgan licencing who explained that no licence had been applied for.

The weeks have past and the shop has opened, as the SEA VIEW STORES, several days ago. We attended at 9:20 this evening, due to the concerning amount of alcohol that was clearly visible, when driving past the store.

On entering the store, officers witnessed the sale of alcohol to members of the public. There was no licence displayed in the shop. I asked for the licence. The Owner Ranjit Singh [redacted] went outside and returned with a premises licence in the name of [redacted] whom they state has no interest in the new business. They do not have a licence.

(DETAILS OF LICENCE HELD PICTURED BELOW)

The shop layout is as you will see from the attached photographs mainly alcohol sales. There is more alcohol to food/groceries. It is clear that this shop has been set up mainly to supply off sales alcohol to visitors.

[redacted] Alongside the counter was a baseball bat although staff claimed that this had been found outside.

This shop is quite concerning and appears to be operating outside of the law. They have said they won't sell any more until they have a new licence however they are open and operating. I respectfully request that this matter is looked in to as a matter of urgency.

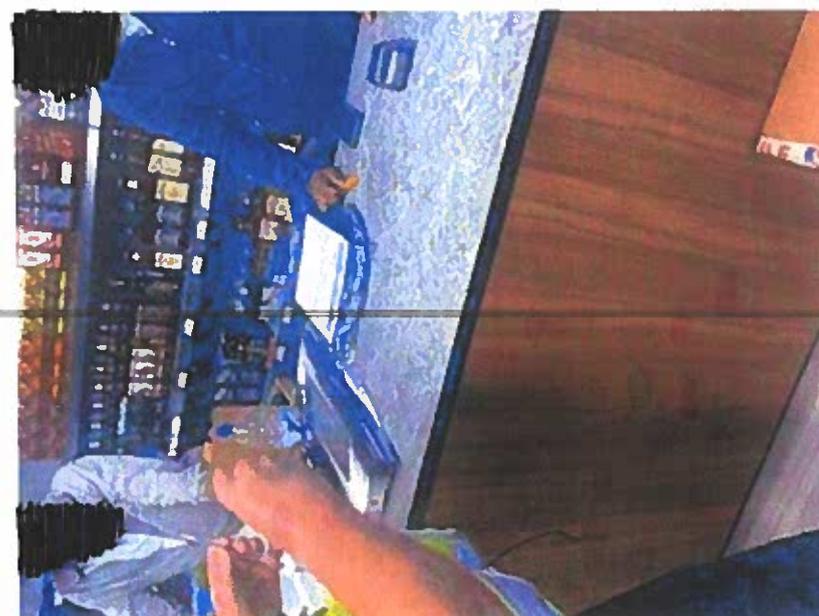

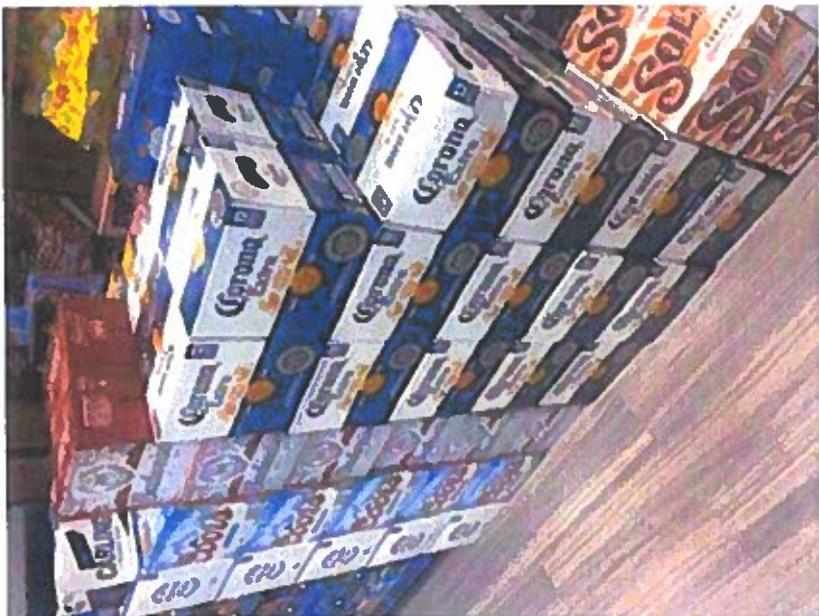

Also consideration regarding this premises opening within a PSPO area, with the issues Barry island currently holds, involving underage drinking and ASB.

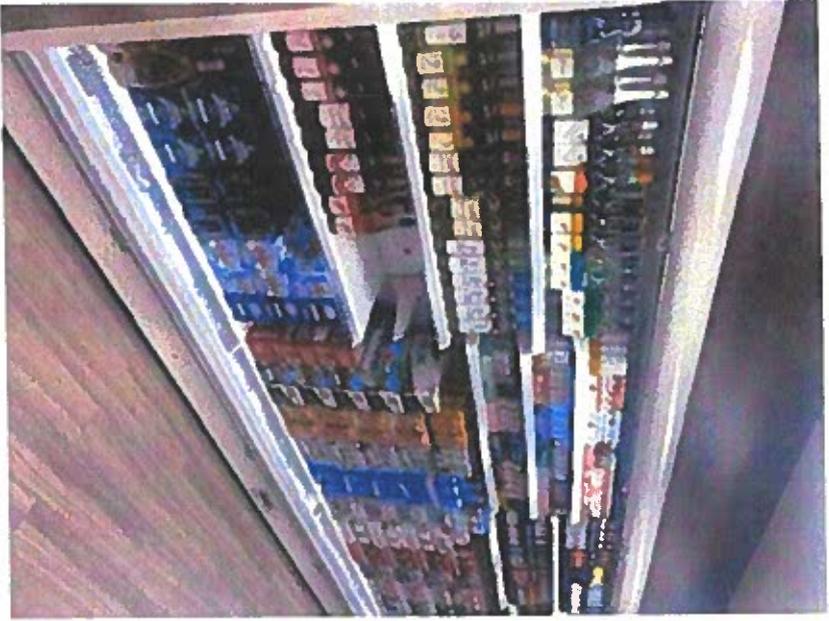

I have real concerns for the future of Barry Island, if this current premises is granted an off sales licence.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

13th September 2021

Ranjit Singh,

RE: Application for the grant of a premise licence "Sea View Stores", Unit 1, Esplanade Buildings, Friars Road, Barry, Vale of Glamorgan, CF62 5TJ.

I have caused enquiries to be made into this application and make the following representation that I wish to be considered when deciding on the licensable activity and conditions for this licence.

South Wales Police object to the grant of this application under the following Licensing Objectives;

- The Prevention of Crime and Disorder,
- Public Safety,
- Public Nuisance,
- Protection of Children from Harm.

The applicant has applied for a premise licence that will operate 08:00 – 23:00, seven days a week, for off-sales only.

The area in which this off-licence seeks to be located already sees alcohol related issues in terms of crime, disorder and anti-social behaviour, particularly through the spring and summer seasons.

South Wales Police welcomes receiving correspondence in Welsh and English.

Any correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not lead to a delay in responding.

Adding an off-licence and thus making alcohol more readily available would significantly undermine the licensing objectives and would likely lead to increased demand on the local Policing teams.

A cursory search of South Wales Police systems shows the following number of alcohol related incidents reported at selected locations on Barry Island since 1st January 2019. I have gone back to this date to compensate for the periods of time where licenced premises were closed and members of the public were restricted in their movements due to the Covid restrictions throughout 2020.

- The Promenade, 34 incidents;
- Friars Road, 32 incidents;
- Railway Station, 2 incidents, (British Transport Police may hold further figures);
- Paget Road, 42 incidents;
- Station Approach Road, 10 incidents.

Ahead of any hearing before the licensing sub-committee, these incidents will be further reviewed with a selection being presented as part of the Police evidence.

Furthermore, the area has a newly issued Public Space Protection Order (PSPO), introduced by the Vale of Glamorgan council in 2020. The PSPO being introduced is an effort to tackle the alcohol related anti-social behaviour and disorder that was occurring in the locality. This is the second time that a PSPO has been installed for Barry Island, with the original being issued in 2016.

The applicant applies to conduct the following licensable activity:

Supply of alcohol;

Monday to Sunday, 08:00 – 23:00

Opening Hours;

Monday to Sunday, 08:00 – 23:00

Hours agreed for the sale of alcohol:

NO AGREEMENT

Measures offered by the applicant in support of the application:

All staff authorised to sell alcohol will be trained in the Challenge 25 scheme and this training will be documented to include the date the training was given, the name of the person who gave the training, the person who received the training and signatures by both trainer and trainee.

The applicant has offered a number of points that would seek to promote the licensing objectives. However, these do not address the Police concerns around the granting of this licence.

POLICE REPRESENTATION

The Police object to the granting of this application and should the committee be minded to grant it, then they do so without the support of South Wales Police.

The Barry Island area, in particular the promenade and surrounding roads, already sees a significant upturn in demand for Police resources through the spring and summer season, with officers regularly having to deal with intoxicated persons.

There are no conditions that the applicant could propose to have on their licence that would alleviate the Police concerns around alcohol being made readily available.

The Police objection will be based on the following:-

The Prevention of Crime and Disorder.

Not Protectively Marked

Public Safety.

Public Nuisance.

Protection of Children from Harm.

Additional evidence to support the notice of the objection will be presented at any subsequent Licensing Committee hearing. This evidence will be expanded on verbally, written, statistical or CCTV evidence.

If you wish any further information then please contact Police Licensing Officer Scott McCarthy at the Cardiff Bay Police Station ☎ 02920 633421.

Yours faithfully,

Dear Sir/Madam,

I am writing with great concern about the above application by Mr Ranjit Singh to sell alcohol every day of the week from 08:00 to 23:00 at Sea View Convenience Stores on the Promenade.

Barry Island is a family seaside resort and designated as 'no alcohol' area, in fact there is an illuminated sign as you drive onto the island and many other signs forbidding the consumption of alcohol in out door public spaces apart from the licensed premises on the Island. This is for good reasons - to prevent anti social behaviour and create a safer environment where locals and visiting families can enjoy the seaside resort. The police already have a difficult time keeping the area free from problems induced by alcohol.

As a resident of Barry Island, I strongly object to there being an 'Off Licence' right on the promenade, encouraging people to drink and break the obvious rules. I have witnessed first hand the antisocial behaviour it often causes in the area. This would go completely against the council's intentions for the Island to be a family resort. In addition, alcoholism in Wales has risen during the pandemic and isn't it better for everyone if alcohol is not so easily obtained. There are already two local shops near Plymouth Road that supply alcohol.

I really hope that this license will not be granted.

Yours sincerely

Barry

Dear sir/madam

I do not agree that Mr Ranjit Singh should be allowed to sell alcohol from his premises. Barry Island is an alcohol free zone, It does not make sense to allow people, especially young people to be able to buy alcohol and leave the shop to drink it in the surrounding areas.

Dear Sir/Madam

I am very concerned that the Sea View convenience store has applied for a licence to sell alcohol off the premises. The island/ promenade area has signs saying alcohol cannot be consumed so I feel that Sea View selling alcohol is only going to lead to more anti social and drunken behaviour in the area and make it impossible to implement the no alcohol zone.

Yours sincerely

Dear Sirs

We are writing with regard to Mr Ranjit Singh's application for an off licence at the premises of Unit 1, Esplanade Buildings, Friars Road, Barry, CF62 5TJ - also known as Sea View Convenience Store.

We wish to strongly protest against this being granted.

The premises is right in the middle of the no alcohol zone and would encourage those who wished to drink great quantities of alcohol to be able to do so more easily. As it is they generally have to bring it with them.

We suffer from enough alcohol related public order (which is why we have a no alcohol zone), so why would we want to do anything that might encourage more?

The extra litter that this would cause would also be detrimental to the cleanliness of the area, causing more work for our already overworked council staff. Whilst endangering more habitat for our wildlife.

The long hours that this licence proposes are also a problem as we would have to put up with more anti social behaviour in the way of noise nuisance from those people being able to buy alcohol late. Allowing them to be able to continue drinking after all other premise are shut.

Deeply concerned,

Barry Island

I see that Sea View Convenience Store has applied for an alcohol off sales license. In view of the fact that Barry Island beach area is a no alcohol zone, I find it unbelievable that such a request should be made. Other outlets selling alcohol have dedicated private areas to drink in. I can imagine gangs of young people buying large cases of cheap alcohol, carting it down to the beach, getting drunk, making a nuisance and leaving a mess. I appreciate they can buy alcohol from Asda, but the sheer distance from the beach deters many, and those who do try are usually intercepted by the police or wardens. This proposal is simply too convenient for idiots to get alcohol and cause a nuisance. Keep some standards and do not allow people to cater for the lowest common denominator.

Other outlets selling alcohol have dedicated private areas to drink in.

If the application is granted, then this would encourage gangs of young people buying large cases of cheap alcohol, to take to the beach and cause a nuisance and leave a mess.

I strongly OBJECT to this application and if the Council are serious about creating Alcohol Free Zones and protecting the public then, this application should be rejected.

Dear Vale of Glamorgan Licensing Team,

I am writing today concerning the new "convenience store" on Friars Road, Barry Island. The shop is trading under the disguise of a convenience store but from what we have seen it does little more than supply vast amounts of alcohol. We are concerned about the negative impact that it is having on the Island.

As I am sure you are aware, the Vale of Glamorgan council has worked so hard over the recent years to return Barry Island to the famous family orientated resort that it was once known as. This new addition to the Island has contributed to the increase in anti-social behaviour, littering and an all round lack of respect for the Island facilities and its traders/staff.

We have witnessed groups of youths buying large quantities of alcohol, returning throughout the day to purchase more and come dusk these same groups are the ones involved in altercations, on several occasions resulting in violence. This puts an extra burden on the South Wales Police, who already have enough to deal with, without unnecessarily adding drunken youths to the mix.

There has also been a huge rise in the amount of litter left behind on the Island, which the Cleansing Team do an excellent job of clearing, but the cans, bottles of alcohol and smashed glass give off the impression that resort is a "party resort" as described by a customer, rather than a welcoming and fun family resort.

I look forward to receiving your response.

Kind regards,

Subject: Licensing application for Seaview Convenience store on Friars Road, Barry Island

To the Licensing Committee:

Dear Sir / Madam,

I am one of the founding members of the Beautiful Barry community group. We would be very grateful if you could give consideration to our concerns as you decide on the licensing application for the Seaview convenience store on **Barry Island**

We are very concerned at the prospect of a license being granted at a premises on Friars Road on Barry Island. The premises in question used to be called The Coffee Cove, and as the name suggests, sold coffee and snacks, alongside a range of alcoholic drinks. The business was well run, holding popular open mic nights, and alcohol was consumed at both indoor and outdoor seating. It was a lovely place for responsible socialising.

The current owners call the business a convenience store, and when they first opened, tried to sell alcohol. Over half the shop was dedicated to cheap alcohol of all types, barbeques, pop and sweets, with no seating available to consume any alcohol bought. The obvious intention was to sell cheap alcohol to be consumed on the beach, the headlands or in the gardens.

This is a dangerous prospect, encouraging binge drinking and associated anti social behaviours. Already, many events on the Island this summer were marred by such binge drinking on the beach and headlands, leading to staff being abused on the Island, an increase in litter such as smashed bottles and cans, arguments leading to fights which had to be broken up by police, and intoxicated people needing to be rescued by the RLNI and the Coastguard. Certain areas became no-go areas for the public - such as the rocks near Friars Point - and even on the main beach the alcohol abuse was so bad that families had to stay away.

And this was before this shop was up and running as a convenient, cheap way to get alcohol on the Island. People had to bring their own drink over, probably stopping at Asda on the way. They could and often were intercepted by police at the entrance to the Island. What it will be like if this cheap alcohol is available only a few metres from the beach is very worrying - it cannot be good.

The impression it would give to responsible visitors is not good, and the message it will send out is that binge drinking is acceptable.

It cannot be fair for the other traders who work hard to provide a convivial environment, and it certainly won't be welcome to those who will have to deal with the increased anti social behaviours which will ensue.

Visitors can still enjoy a drink in the sun during and at the end of the day in one of the many very well run licensed premises on the Island, where they will be treated well and looked after by their hosts. All of this creates a good impression of Barry Island Resort being a vibrant, safe, family friendly resort and entertainment facility in the town.

There is absolutely no need for an off license on our lovely seafront, and the application should be refused.

Thank you.

I object to the an off licence being granted in the current Coffee Cove property on Barry Island.

Providing such easy access to cheap alcohol right by the prom will fuel violence, anti-social behaviour and dangerous littering.

It will therefore be bad for other surrounding businesses who are reliant on families, teenagers and other visitors who want to enjoy the beach without being drunk.

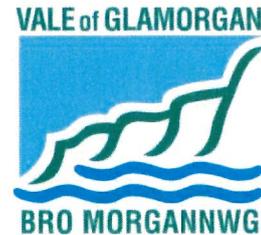

Drunk young people combined with the beach and rocks could be a recipe for tragedy too.

The glass litter on Whitmore Bay is already a horrible problem, and I don't let my children on there ever with bare feet. This needs to be taken seriously - rather than further enabled through selling glass bottled alcohol to people intent on getting drunk.

Please reject this.
