

The Vale of Glamorgan Council

Public Protection Licensing Committee 5 September 2017

Report of the Director of Environment and Housing

Request for an Exemption in Relation to the Display of Private Hire Vehicle Licence Door Stickers

Purpose of the Report

1. To consider a request by Mrs Nia Lloyd Knott of Real Wales Tours to be exempt from the requirement to display and door stickers on their Private Hire Vehicle.

Recommendations

It is recommended that Members give careful consideration to the application taking into account whether or not public safety would be compromised were one of the following recommendations accepted:-

- grant an exemption from condition 9 relating to Private Hire vehicles to Mrs Lloyd Knott in respect of the Private Hire Vehicle Licence 060, for vehicle registration MV62 LFN.
- or;
- refuse the application giving full reasons for their decision.

The officer recommendation is that the Committee must consider the request on its merit. If they are of the view that there is no public interest in granting this exemption having regard to public safety, the application should be refused.

Members are reminded that when the vehicle is licensed as a Private Hire Vehicle the type of fares that are carried out by the vehicle cannot be controlled and as such it will not be restricted to recreational tour work.

Reasons for the Recommendations

To advise Members of the options available to them.

RE: Display of private hire vehicle registration door stickers

Dear Members of the Licensing Committee of the Vale of Glamorgan Council,

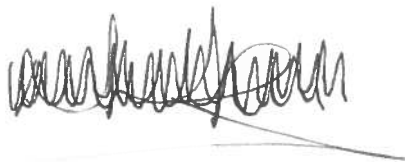

I'm writing to request exemption from displaying the private hire vehicle registration side door stickers from our vehicle MV62 LFN and any future vehicles we have licensed.

The reason for this request is that we do not operate as a traditional private hire operator – we conduct sightseeing tours of the Vale of Glamorgan and further afield in Wales, and the door stickers give a misleading impression of our operations. We are often approached for use as a taxi and we would wish to prevent this.

Of course, we would continue to display the rear plate and interior badge as we currently do.

I should be very grateful if you could consider this request.

Best wishes

Nia Lloyd Knott

Director, Real Wales Tours Ltd.
