

Name/Organisation	Response Received	Change to policy wording proposed	Further action/reason
<p>David Moody Jones Peterston super Ely Community Councillor.</p> <p>By email</p>	<p>I would suggest that the excellent work of Professor Shepherd at UHW on the analysis of injuries from licensed premises should be mentioned. Data is available on which premises are causing problems & this should be taken into account when licences are renewed.</p>	<p>None</p>	<p>The current licensing regime allows for indefinite licences to be issued. Should a responsible authority seek a review of a premises licence it may provide supporting evidence relating to assaults and the licensing authority may take this evidence into account when determining whether</p>

			<p>sanctions are appropriate.</p> <p>The local responsible authorities will be made aware of this request.</p>
Councillor Richard Bertin	<p>I think overall this provides consistency in approach and serves to protect the public from harm. Will Town and Community Councils be consulted? Is this reviewed every 5 years?</p> <p>I agree with the proposals as outlined in principle and hope that we see strong enforcement.</p> <p>As a local representative I also hope that full consideration is given to local residents when deciding on any licensing restrictions.</p>	<p>None. Town and Community Councils have been consulted as part of the policy review. The policy must be reviewed at least every five years, but this may be sooner if required.</p> <p>Local residents have the opportunity to make representations on all new premises, and major and minor variations of premises.</p>	Written response
Angie Norman Acting	Barry Town Council would like to make the following comment on the	Parties to a review are entitled to representation and the policy document gives examples of who	None

<p>Town Clerk Barry Town Council</p>	<p>Statement of Licensing Policy which was forwarded to us on 15 June 2016:</p> <p>Page 16</p> <p>Reviews- Paragraph 3 – that the list of those able to request a representative to make representations on their behalf should include the following:-</p> <p>“Vale of Glamorgan Members who are not members of the licensing committee and also Town and Community Councils.”</p>	<p>may be called to act as a representative. This included legal representatives, friends, MP’s and AM’s but the list is not exhaustive.</p> <p>It is suggested that “Town and Community Councils” are added to the list of examples now at page 17 of the policy document. Vale of Glamorgan licensing authority Members are bound by the member Code of Conduct when participating in the licensing process.</p>	
<p>Josef Prygodzicz (Public Health Wales)</p>	<p>“I’m the member of the Cardiff and Vale Public Health Team with the remit of overseeing the University Health Board’s (UHB) role as a Responsible Authority on alcohol licensing.</p> <p>Many thanks for providing the opportunity for the UHB to comment on the draft version of the Vale of</p>	<p>The Cardiff and Vale University Health Board has supplied a statement which explains the role of the UHB as a responsible authority. As Cardiff and the Vale Councils both come under the remit of the Cardiff and Vale UHB it is suggested that this explanatory paragraphs are also included with the Vale of Glamorgan Policy. It is proposed that the paragraphs are included at the end of Section 8 of the Policy covering</p>	<p>None</p>

	<p>Glamorgan Alcohol Licensing Policy. I believe that the draft accurately covers all of the key elements of the Licensing process.</p> <p>The only addition I feel would be beneficial for the policy would be to include some information on the role of individual Responsible Authorities – particularly the Local Health Board, as the involvement of Health Boards as Responsible Authorities in Wales is a relatively recent addition (2012) to the licensing process. I feel that inclusion of this information would provide clarity for prospective licensees in the area.</p> <p>Information on the role of Cardiff and Vale UHB is included in the Cardiff Council Statement of Alcohol Licensing Policy and can be viewed on the following link (p.18 and p.19):</p> <p>https://www.cardiff.gov.uk/ENG/Busines/Licences-and-permits/Entertainment-and-alcohol-licences/Documents/Statement%20</p>	<p>“Representations”</p> <p>Proposed amendment:</p> <p>“In April 2012, the Police Reform and Social Responsibility Act 2011 amended the Licensing Act 2003 so that Local Health Boards (Wales) and Directors of Public Health (England) also became a responsible authority.</p> <p>In the Vale of Glamorgan the Local Health Board function is undertaken by Cardiff and Vale University Health Board (UHB).</p> <p>The Vale of Glamorgan Council as Licensing Authority recognises that although public health is not a licensing objective, the UHB holds valuable information relevant to the licensing objectives.</p> <p>The UHB actively monitors:</p> <ul style="list-style-type: none"> - Emergency Unit attendances - Hospital admissions - Last Drink Data <p>The UHB uses this data to contribute to the understanding of the effects, levels and patterns of alcohol consumption within the UHB area.</p>	
--	--	---	--

	<p>of%20Licensing%20Act%20Policy.pdf</p> <p>The UHB advocates that information similar to this should be included in the Vale of Glamorgan Statement of Licensing Policy.</p>	<p>The UHB has advised the Vale of Glamorgan Council that examples of circumstances in which they may wish to make representations include:-</p> <ul style="list-style-type: none"> • New applications • Applications for review or variation when:- <ul style="list-style-type: none"> - An existing licensed premise is perceived not to be promoting the licensing objectives, or, - When there is information to suggest non-compliance with an existing Premises Licence - Proposed changes to licensable activities that could have a detrimental effect on one or more of the licensing objectives <p>The UHB has advised the Vale of Glamorgan Council that they will use information from the Alcohol Treatment Centre and Emergency Department to monitor and inform the Licensing Authority of any activity that is causing concern and use the information to make representations where appropriate.”</p>
