Constituency Activity and Achievements

Representing my constituency at all levels and dealing with problems as they arise.

Attending Resident Board and PACT meetings. Constantly in touch with the Gibbonsdown Community and listening to their needs.

I had a rubbish bin reinstated at a place we call "Tree Tops" and it is very well used.

I helped with a large litter pick in the area along with Valeways, Taylor Wimpey and other organisations.

Learning and Development

This section covers your Personal Development in your role as a councillor. You should include all training events that you have participated in and any developmental events that you have attended.

As I was only elected in November 2016 there was very little time for training, so it was very much "Learning on the job"!

Priorities For The Year Ahead

Attend all Council training.

Continue to represent Gibbonsdown and encourage the people to be proud of this area.

Support the Council with their plans here and always be involved with community and individual projects.

Hold regular surgeries, especially street surgeries.
