Constituency Activity and Achievements

I managed to secure two defibrillators for Celtic Way Community Centre and Fonmon Hamlet. I gained a donation of £250.00 donation towards the box to house the Defib in Fonmon.

I visited many dozens of residents and dealt with their issues and problems. E.g. Helped one resident by getting an officer to visit to get the size of his driveway increase done by measuring to the required and limit that was acceptable to both.

I found funding for the Celtic Way Park Play area, it has been refurbished and is now in full use.

All three councillors for Rhoose were in agreement to get the layout at Weycock Cross Roundabout altered as there were many serious accidents. This has now been completed and so far, has been accident free.

I participated in a GoSafe Speed Watch in East Aberthaw.

I held a 'Tea Party' to raise money for Ty Hafan - £290.00.

I conducted a visit to Penmark with an officer to discuss the cutting down of trees in a Conservation area, as they were in danger of bringing down the ancient wall.
