

Guide to Public Speaking at Public Rights of Way Sub-Committee

The provisions within this document will also apply to all Public Rights of Way Sub-Committee meetings that are determined by the Council / Chair to take place on a virtual only or hybrid (i.e., remote attendance) basis.

Vale of Glamorgan's Multi-Location Meetings Policy

Persons considering speaking at a Public Rights of Way Sub-Committee meeting, should have prior regard to the Council's Multi-Location Meeting Policy, which can be found [using this link](#).

In line with the Multi-Location Meetings Policy, meetings of the Public Rights of Sub-Committee will be held on a remote basis via the Council's Hybrid/Remote meeting system.

N.B. Section 46 of the Local Government & Elections (Wales) Act requires that the Authority shall ensure that meetings of a Principal Council determined by the Council / Chair to take place on a virtual only or hybrid (i.e., remote attendance) basis, are broadcast live and are available to view electronically save for when the meeting is not open to the public (Part II – confidential or exempt information). The livestreaming of the meeting shall be published on the Council's website and archived thereafter for future viewing.

Written Representations on Public Rights of Way Applications

Substantive objections to or representations in support of public rights of way applications should be made in writing.

Where an application is being considered by the Public Rights of Way Sub-Committee, written representations will be accepted if received no later than by 10am, the working day prior to the Sub-Committee meeting. For example, if the Sub-Committee meeting is on a Wednesday, then written representations will be accepted if received by 10am, Tuesday.

Representations received too late to be referred to in the committee report (Late Representations) but received by 10am the working day prior to the Sub-Committee, will be circulated to Public Rights of Way Sub-Committee Members the evening before the Sub-Committee.

Late representations containing substantial quantities of new material may lead to the deferral of consideration of the application in question to ensure that the material can be properly taken into account.

Publication of Agenda Papers

The Agenda Papers for the relevant meeting of the Public Rights of Way Sub-Committee meeting will be published at approximately 5:00pm **at least** 9 days before the date of the meeting. **Agenda publication may be brought forward to avoid weekends.**

Public Speaking

The Public Rights of Way Committee is a permanent Sub-Committee of the Planning Committee and holds delegated authority to make decisions in respect of matters contained within its Terms of Reference. These may be found in Section 14 of the Council's Constitution. There will be occasions when applicants or objectors, or both, may wish to make representations in person to the Public Rights of Way Sub-Committee.

Notification to Speak

It is necessary to have sufficient advance warning of speakers to gauge the likely overall public attendance and to offer support and advice to those unsure of how to proceed and/or wishing to address the Sub-Committee in Welsh. It may also be necessary to resolve any issues regarding nominating a spokesperson and allowing that person a reasonable timeframe to co-ordinate their response.

Registering to Speak

The Agenda Papers for the relevant Sub-Committee meeting are published electronically at least 9 days (including weekends) prior to the date of the Committee Meeting.

The request to speak notification period will open at 8:30am, the day after the Agenda Papers have been published and will remain open for 6 days (the first day being the day that the registration form opens). The registration period will close 5:00pm on the sixth day. Members of the public who wish to register to speak at a meeting of the Council's Public Rights of Way Sub-Committee, should do so by completing the appropriate public speaking registration form by no later than 5.00pm three clear working days prior to and not including the meeting day.

To register to speak you should complete the online form, which can be found on the following webpage:

[Public Participation at Council Meetings \(valeofglamorgan.gov.uk\)](http://valeofglamorgan.gov.uk)

Where several parties are of the same point of view, they will be encouraged to nominate a lead speaker. To facilitate this, unless you specifically notify us otherwise, by registering to speak, you consent to the Council forwarding your contact details to other people (of the same opinion) who register to speak. This will assist you in nominating a single spokesperson.

Please inform the Democratic Services Team, as soon as possible on 01446 709855 or Democratic@valeofglamorgan.gov.uk, if you require any additional support to make your representations.

It is recognised that there will be individuals who will not have access to an electronic facility. Those individuals will be able to register to speak by telephone on 01446 709855 (they will be asked to provide the same information required on the online form) and confirmation of their registration will be provided verbally during the telephone call.

Once you have submitted your Registration Form, you will receive an automatic confirmation email informing you that your registration has been successful. Once the Registration Deadline has passed, the Democratic Services Officer supporting the Sub-Committee will contact you to provide you with a copy of this guide and to confirm your allocated speaking time.

Speaking Time

A maximum period of 6 minutes will be allowed for those registered to speak for or against an application to address the Committee. This equates to a maximum of 12 minutes public speaking time per Application.

Each individual speaker will ordinarily be allowed a maximum of 3 minutes to address the Committee, provided that those speaking for and against will be allocated the same amount of time in total. For example, in the event that two or more persons are registered to speak against an application, where there is only one person registered to speak in favour, he/she will be allocated six minutes to speak. This is to ensure that there is equality of time afforded to those speaking for and against any application.

If more than two people are registered to speak for or against, they are encouraged to nominate one spokesperson as the maximum 6 minutes will be allocated across all persons registered. An individual must be registered before they are able to transfer their allocated speaking time to a nominated spokesperson. The nominated spokesperson does not need to be registered.

If two or more speakers are registered to speak and no spokesperson is nominated, or no agreement is made in respect of the amount of time to be allocated between the speakers then the 6 minutes will be split equally amongst all registered speakers.

If the full 6 minutes are allocated to 2 speakers but one of the individuals does not attend, withdraws during the course of the meeting and/or nominates their speaking time to the other registered speaker then the maximum time will revert to 3 minutes, unless there are 2 speakers in opposition. If there is only 1 speaker in opposition then the opposition speaking time will also revert to 3 minutes. The time limits will be strictly observed.

Those persons addressing the Sub-Committee will not be allowed to hand out or distribute any documentation to Members at Sub-Committee, and presentations will not be permitted.

N.B. This procedure applies equally to Town or Community Councillors who must also register to speak in accordance with the guidance.
