

**Photos for Planning Committee – Tingle Wood – Ewenny Priory**

Tingle Wood from Corntown Road, prior to any thinning of dead, dying, dangerous trees.

Tingle Wood seen along the middle of the photograph, taken from Corntown Road.

Photographs of Tingle Wood on the right (looking down Tingle Lane)

Tingle Wood along the right-hand side, looking down the adjacent field from Corntown Road.

Large and mature trees at the top of Tingle Wood, adjacent to junction with Tingle Lane from Corntown Road.

The start of the lower part of Tingle Wood, from Abbey Road (trees on left of lane in photo)

Top of Tingle Wood from Stony Lane, Corntown.

**Photographs of Tingle Road (post thinning to date of dead, dying, dangerous trees).**

From Corntown Road.

Several images from Tingle Lane, where areas have been thinned.

Photographs of previous thinning in the adjacent wood along Corntown Road (not Tingle Wood, not subject to this TPO) – for reference only.

Google Street View Images of Corntown Road before thinning (Not Tingle Wood)
