Retention of pool house and enclosed terrace

RESOLVED –

- (1) T H A T planning permission for the retention of the works be refused.
- (2) T H A T the Monitoring Officer/Head of Legal and Democratic Services be authorised to serve an Enforcement Notice under Section 172 of the Town and Country Planning Act 1990 (as amended) to require:
 - (i) The removal of the terrace that is the subject of the planning application.
 - (ii) The re-instatement of the land within the root protection area to its former condition immediately prior to the commencement of the unauthorised works.
- (3) T H A T in the event of non-compliance with the Notice, authorisation be approved to take such legal proceedings as may be required.

Reason for decision

The decision to refuse planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan for the area comprises the Vale of Glamorgan Adopted Local Development Plan 2011-2026 and Future Wales – the National Plan 2040.

It is considered that the decision complies with the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

The appropriate marine policy documents have been considered in the determination of this application in accordance with Section 59 of the Marine and Coastal Access Act 2009.

The introduction of the terrace around the trunk and within the root protection area of the Holm Oak, which forms part of a wider ancient woodland, would be likely to result in the death of the tree and the loss of a substantial historic natural feature. The development would therefore be contrary to policy MD1 of the LDP (criterion 1, due to the impact on the character of this rural site), policy MD2 (criterion 10 due to the adverse impact on the existing landscaping features and criterion 12 due to the adverse environmental impacts of losing the tree) and Policy SP10 (due to harm to the natural environment/heritage) of the Vale of Glamorgan Adopted Local Development Plan 2011-2026, the Council's Trees, Woodlands, Hedgerows and Development SPG and the advice within Planning Policy Wales 11.
