SUPPLEMENTARY

INFORMATION

REQUEST FOR 'CONSIDERATION OF MATTER' BY SCRUTINY COMMITTEE

Agenda Item 5.

Name: C Franks

Ward: Dinas Powys

I request the consideration of a report on the following matter.

Subject:

Barry Secondary Schools reorganisation

Scrutiny Committee(s)

I am a member of the above Scrutiny Committee

Reason(s) for request.

With the reorganisation of secondary education in Barry once again under review it would be timely for a report to be presented to the March meeting of the Life Long Learning Scrutiny Committee by the Cabinet Member for Lifelong Learning.

Members will wish to be informed for the current situation and the likely time scale involved. Committee needs to be assured that adequate progress is being achieved and that the risk of further delay is avoided.

The current uncertainty is not assisting in addressing the educational challenges facing the town's English Medium Secondary Schools.

Details of the condition of school buildings both in physical and financial terms should also be supplied.

The report should include details regarding the capacity of Secondary Schools in Barry including the Welsh Medium sector to cope with demand.

Further a detailed timetable of stages in the process needs to be provided to judge progress.

Signed.....C Franks.....
