

THE VALE OF GLAMORGAN COUNCIL

**REQUEST FOR 'CONSIDERATION OF MATTER' BY SCRUTINY
COMMITTEE**

Name: Ian Johnson

Ward: Buttrills

I request the consideration of a report on the following matter.

Subject: Standard Rate for Contracting Places in the Independent Sector

Scrutiny Committee(s) Social Care and Health

I am a member of the above Scrutiny Committee

Reason(s) for request.

The standard rate for contracting places in the independent sector was brought forward to cabinet on 18th March 2013 as a matter determined urgent by the Leader.

This issue was most recently discussed in scrutiny on 14th January 2013 when the Cabinet Member assured members that he would continue to provide updates. There were no further updates in February or March, although the Cabinet Member responded to a question from Cllr Dr Johnson on progress on 6th March 2013 at Full Council.

While in principle supportive of the agreement between the Council and the independent sector, and not wishing to delay implementation through a 'call-in', scrutiny of this decision is important and therefore a statement or report on this agreement, its budget implications going forward and the impact of multi-year agreements is requested at the next appropriate meeting.

If there are concerns regarding commercial confidentiality then this report could be taken under Part 2, if so wished.

Signed...Ian Johnson.....

Date...24th March 2013.....
