

THE VALE OF GLAMORGAN COUNCIL

REQUEST FOR THE USE OF EMERGENCY POWERS – CORONAVIRUS PANDEMIC

SUBJECT: Council Tax Discretionary Relief – Change to Policy

1. **Originating / Department / Service** –

Finance – Managing Director and Resources

2. **Reason for Seeking Emergency Powers** –

On 15th April 2019 Cabinet considered and agreed the adoption of a policy to consider applications to award Discretionary Council tax Relief in accordance with Section 13A (1) (c) of the Local Government Finance Act 1992 as amended. The policy aims to provide a transparent and equitable way of determining applications received for discretionary council tax reduction.

Through delegation by Cabinet, the Discretionary Council Tax Reduction is considered on a case by case basis with the decision being made at officer level as outlined in the Policy Document agreed by Cabinet. The number of cases considered under this policy is historically low

The actual number of individuals that qualify for this support is relatively small, as in the majority of cases other exemptions and reductions are available, which includes reductions based on income levels through the Council Tax Reduction Scheme where the amount may be reduced to nil. All applicants must claim any appropriate statutory reductions prior to the application being considered by the Council.

Due to Covid 19 the Council is now receiving more applications for support under this policy, however, it is not clear within the policy how these claims would meet the criteria. For transparency it is requested that the policy is updated to include the following :

- 1.5 Applications that are submitted as a result of the COVID19 pandemic will be considered under the category of **‘Exceptional Financial Hardship’**.

It is proposed that the process for dealing with such claims will be in accordance with the existing policy.
