## Member Briefings

- Information only reports provided to Elected Members, with a notification indicating when new material is available.
- Ad hoc reports and presentations from the Council and Partner organisations which would likely not benefit from Scrutiny time but be useful information to support Members in improving their awareness of local, regional and national policy direction.
- Member briefing sessions would be arranged, often before relevant Scrutiny Committee meetings, to invite officers or wider partners to provide whole Member briefing sessions and presentations as appropriate.
