	identified priorities.	
Proposal	Policies are in development and are seeking	
	Scrutiny feedback and recommendations to	
	help shape the Council's future direction.	
Briefings	Information only or update items which are for	
	noting and where scrutiny can add limited value	
	but the Member call-in procedure can be used.	

Task and Finish Working Groups [Investigative]

- Cross-party work, with a clearly defined scope, and the Cabinet Member sighted.
- Brought together on a voluntary basis by 4 to 8, politically balanced (where practical) Members, with the Chair decided by the "home" Scrutiny committee.
- Leverage the expertise of officers, partners, wider stakeholders alongside evidence and insight from the people of the Vale of Glamorgan who will be invited and encouraged to participate as expert witnesses and share their lived experiences.
- Hold the Cabinet and officers accountable on specific topics while proactively shaping the Council's policy direction.

Member Briefings

- Information only reports provided to Elected Members, with a notification indicating when new material is available.
- Ad hoc reports and presentations from the Council and Partner organisations which would likely not benefit from Scrutiny time but be useful information to support Members in improving their awareness of local, regional and national policy direction.
- Member briefing sessions would be arranged, often before relevant Scrutiny Committee meetings, to invite officers or wider partners to provide whole Member briefing sessions and presentations as appropriate.
