

THE VALE OF GLAMORGAN COUNCIL

CORPORATE PERFORMANCE AND RESOURCES SCRUTINY COMMITTEE –
20TH JANUARY, 2021

REFERENCE FROM CABINET – 21ST DECEMBER, 2020

“C421 LOCAL GOVERNMENT AND ELECTIONS (WALES) BILL – AN UPDATE (L/PR) (SCRUTINY – CORPORATE PERFORMANCE AND RESOURCES) –

The report set out the various elements of the Local Government and Elections (Wales) Bill and set the context to enable Cabinet to respond to various consultations that were currently ongoing and were reported to the Cabinet.

Attached at Appendix A to the report was an Action Plan which listed all relevant provisions and the work undertaken to date to ensure that the Council was prepared for the introduction of various elements of the Bill in due course.

Cabinet was asked to consider the report and the Action Plan and refer the same to Scrutiny Committee (Corporate Performance and Resources) for consideration.

The Leader advised that some actions within the report were also being reported separately as part of the meeting agenda today. The report itself set out the context of the Act which was likely to become enacted in January 2021.

The Leader noted that comments had been received from the Leader of the Plaid Cymru Group who felt there had been available time to have discussed some of the matters through scrutiny or via meetings with Group Leaders in advance of the Cabinet report. It was noted by Cabinet that the reports would be going to Scrutiny for consideration and would be brought back to Cabinet where appropriate. Two of the reports had called for the use of the urgency procedure in order to meet Welsh Government response deadline dates, however comments would be sought from Scrutiny and where comments were received, reported back to Welsh Government as an addendum.

The Managing Director reaffirmed that the report set out the context for further reports on the agenda and provided comfort for the Cabinet that there was an Action Plan linked to the requirements of the Bill so that the Authority would be well placed when it does become legislation in January 2021.

This was a matter for Executive decision.

Cabinet, having considered the report and all the issues and implications contained therein

RESOLVED –

- (1) T H A T the contents of the report and the appended Action Plan be noted.
- (2) T H A T the report and appended Action Plan be referred to the Corporate Performance and Resources Scrutiny Committee for consideration.

1. Background

- 1.1 The Local Government and Elections (Wales) Bill [the Bill] was passed by the Senedd on 18th November 2020, precisely a year after it was introduced in 2019. It is anticipated the Bill will receive Royal Assent early in 2021.
- 1.2 The Bill was one of only two Bills in the Welsh Government's legislative programme to continue during COVID 19. The Bill was prioritised given the timescales required to introduce planned electoral reforms in time for the 2022 local elections.
- 1.3 Links to the relevant documents are available here:
 - [Local Government and Elections \(Wales\) Bill \(as amended at Stage 3\)](#) and as passed at Stage 4 (November 2020)
 - [Revised Explanatory Memorandum](#) (October 2020)
 - [Statement of Policy Intent \(November 2019\)](#)
- 1.4 The Bill has been the culmination of several years of policy consultation, including:
 - Draft Local Government (Wales) Bill – November 2015
 - Consultation on Electoral Reform – October 2017
 - Reforming Local Government: Resilient and Renewed White Paper - January 2017
 - Consultation on Powers and Flexibilities – January 2018

- Strengthening Local Government: Delivering for People Welsh Government Green Paper - June 2018

1.5 The Bill is substantial and covers a range of topics from electoral reform, public participation, governance and performance through to regional working. In summary the Bill introduces:

Reforming electoral arrangements for local government, including;

- extending the voting franchise to 16 and 17 year olds and foreign citizens legally resident in Wales,
- enabling councils to choose between ‘first past the post’ or the ‘single transferable vote’ voting systems,
- Change of electoral cycle for principal councils from four years to five years,
- Allowing non-politically restricted council staff to stand for election in their own authority (but who should resign if elected),
- Removal of Returning Officers’ Fees or local elections.

Introduction of a general power of competence;

Reforming public participation in local government;

- Duty to encourage local people to participate in local government (and to produce a strategy to that effect);
- Duty to make petition scheme (and repeal of community polls);
- Duty to broadcast certain meetings;
- Greater flexibility around remote attendance of members.

Reforms around democratic governance and leadership, including;

- Appointment of Chief Executives (rather than a head of paid service) with specific duties;
- Appointment of assistants to cabinets and allowing job-sharing leaders or cabinet members;
- Updating family absence provisions in line with those available to employees (via regulations);
- Requiring leaders of political groups to promote and maintain high standards of conduct by members of their groups.

Collaborative Working;

- Powers for councils to initiate the establishment of Corporate Joint Committees (CJCs) covering any functions;
- Powers for Ministers to establish CJCs covering the four functions of economic wellbeing, transport, strategic planning and school improvement. These are matters that are considered in a separate report on this agenda.

Reform of the performance and governance regime;

- Repeal of the 2009 Measure duties, replacing audit and reporting duties with self-assessment and panel assessment (peer review);
- Reforms to Audit Committees, renaming as Governance and Audit Committees and prescribing membership and chair.

1.6 Powers to facilitate voluntary mergers of principal councils.

1.7 Cabinet has previously responded to the various policy documents referenced in paragraph 1.4 and those responses are not repeated here.

2. Key Issues for Consideration

2.1 It is anticipated that the Bill will receive Royal Assent in early 2021.

2.2 The 'Coming into Force' provisions of the Bill are complex, with some provisions coming into force within days of Royal Assent, others within two months and the majority via Ministerial statutory instruments.

2.3 An updated and more detailed timeline will be shared when available, but in general it is anticipated that CJC regulations will be introduced in the Senedd during February-April 2021, for commencement in the summer (and first meeting of CJCs planned by end of September 2021), subject to further consideration by the Minister given the ongoing consultation on this issue, as reported separately to this Cabinet meeting.

2.4 Remote attendance and related matters will be commenced from April 2021 (when the current emergency coronavirus meeting regulations end);

Performance and governance arrangements will be commenced from April 2021 (with the final performance report from the 2009 Measure published by 31st October 2021). This is also subject of ongoing consultation and a separate report to this Cabinet, deals with this consultation;

Most of the electoral reforms will be introduced in time for implementation at the 2022 local elections; and

The power of general competence, public participation duties, broadcasting of meetings and new councillor duties will apply from the 2022 local elections.

- 2.5 As stated above, the Welsh Government is already consulting on the draft Regulations to Establish CJs and will soon consult on Regulations of General Application and statutory CJC guidance. The Welsh Government is currently also consulting on draft statutory guidance on the 'performance and governance of principal councils. These two matters are subject to separate reports to this Cabinet, alongside a further report responding to the current Welsh Government consultation on the introduction of Strategic Development Plans.
- 2.6 In addition to the statutory guidance on CJs and performance and governance, it is anticipated that several sets of statutory instruments will be laid and a further 5 statutory guidance notes will be produced during the next 12 months (covering public participation, executive members' duties on equality and diversity, collaboration, mergers as well as updated scrutiny guidance (based on the 2011 Measure).
- 2.7 In terms of this organisation, appendix A sets out an Action Plan which details the various provisions of the Bill, the work undertaken to date and as a consequence, this Council's preparedness for these various provisions. Cabinet is requested to consider this Action Plan alongside the report and refer the same to Scrutiny Committee (Corporate Performance and Resources) for consideration.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1 As this is a report which simply seeks to update Cabinet on progress on the Bill, there are no direct links to the Five Ways of Working. Elements of the Bill will however have a positive impact on many of those ways of working, whether this be through promoting involvement and engagement or promoting collaboration through CJC's.

4. Resources and Legal Considerations

Financial

- 4.1 None directly applicable to this report. The Action Plan has been drawn up from existing budgets and individual elements will have future cost implications. Where these relate to CJC's and new performance measures, they are picked up separately within the relevant reports.

Employment

- 4.2 None directly applicable to this report given the report seeks to update Cabinet on progress with the Bill. Any specific employment or workforce issues arising

from the proposed CJC's and new performance measures are addressed as necessary in those reports and responses to consultation.

Legal (Including Equalities)

4.3 As indicated in the main body of the report.

Local Government and Elections (Wales) Bill 2020 : Action Plan

During September 2020, the Welsh Government (WG) tabled 155 amendments (most are technical) and opposition Members of the Senedd have tabled a further 142 amendments to the Bill.

1. Stage 2 Plenary Committee consideration of amendments taken on 2 and 9 October.
2. The Stage 3 Plenary debate on amendments was held in mid-November and it is anticipated that Royal Assent will be in January 2021.
3. The WLGA has recently asked WG for an 'easy-read' timetable (even if indicative), due to the difficulties navigating the commencement sections of the Bill some of which are subject to Ministerial discretion. This is currently awaited.
