<p>Executive Summary:</p> <ul style="list-style-type: none"> • The report advises Members of progress in relation to the Scrutiny Committee's historical recommendations and the updated Forward Work Programme Schedule for 2021/22 for the Committee's consideration: <ul style="list-style-type: none"> - 1st Quarter Recommendation Tracking April to June 2021 (Appendix A); - Updated Committee Forward Work Programme Schedule for 2021/22 (Appendix B). 	

Recommendations

1. That the status of the actions listed in Appendix A to the report be agreed.
2. That the updated Committee Forward Work Programme Schedule attached at Appendix B be considered for approval and uploaded to the Council's website.

Reasons for Recommendations

1. To maintain effective tracking of the Committee's recommendations.
2. For consideration and information.

1. Background

2. Key Issues for Consideration

- 2.1 Appendix A attached to this report sets out the recommendations of the Scrutiny Committee and Members are requested to review progress against each recommendation, to assess whether further action may be required, ensure the required action is undertaken and to confirm which recommendations are to be agreed as completed.
- 2.2 It is important that Scrutiny Committee recommendations are tracked and monitored as failure to do so could result in a risk that recommended courses of action will not be followed and consequently lost. This would undermine the credibility of the scrutiny process.
- 2.3 Members are also requested to confirm approval of the updated 2021/22 Work Programme Schedule attached at Appendix B, having regard to updated comments in respect of future reports to be presented to the Committee.
- 2.4 The Committee's Work Programme has been aligned to the Draft Quarterly Cabinet Forward Work Programme which was approved by Cabinet at its meeting on 5th July, 2021 and can be found [here](#) if required.
- 2.5 The Scrutiny and Cabinet Roles and Responsibilities Protocol Point 7.6 states it is essential that the Cabinet Work Programme is taken into account when Scrutiny Committees are drawing up their own Work Programmes and also details reports that have been requested by the Scrutiny Committee, which will be included as and when available/ required, together with items that require regular monitoring and scrutiny. Other reports will be added to the schedule as and when necessity arises. The schedule will also detail Requests for Consideration that have been received and the consideration given by officers of the likely date they can be reported to the relevant Committee.
- 2.6 With regard to Call-in Requests that are made following decisions of Cabinet, as these are required to be dealt with within 20 working days of a Cabinet decision (as per the Council's Constitution), they will be included within the Programme as and when received.

- 2.7** In response to an Audit Wales (formerly Wales Audit Office) review into Scrutiny, the Council has aimed to deliver an annual scrutiny-driven issues planning process for each Scrutiny Committee. The Committee is therefore asked to closely consider its forward work programme (attached at Appendix B) by identifying:
- The specific areas of interest for the Committee;
 - How to engage stakeholders (including Ward Members and the public);
 - The most appropriate forms of scrutiny for each (e.g. 'task and finish', expert witnesses, site visits, joint approaches to scrutiny etc.);
 - The issues where scrutiny can have the most impact and value to be gained from consideration.
- 2.8** Discussions in relation to broadening the Work Programmes of all Scrutiny Committees will be subject to further consideration by the Scrutiny Committee Chairman and Vice-Chairman Group having regard to resource implications and corporate priorities.
- 2.9** In response to the 2019/20 Scrutiny Impact Member Survey, published in February 2020, the Scrutiny Committee Chair and Vice-Chair Group on 3rd March, 2021 agreed that Scrutiny Committee Chairmen and Cabinet Members were best placed to present the Recommendation Tracking and Forward Work Programme Update Reports at Committee meetings to highlight the fact that both documents were under the Committee's ownership and management.
- 2.10** Published versions of the Forward Work Programme can also be found on the Council's website via the following link:
https://www.valeofglamorgan.gov.uk/en/our_council/Council-Structure/scrutiny/scrutiny_committees.aspx

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** The Scrutiny Committees have a responsibility to report annually to the Council their future work programmes in the form of a 'Scrutiny Annual Report.' The 2019 – 21 (Covid-19 Extended) Annual Report is scheduled for presentation at the September 2021 Full Council Meeting.
- 3.2** Scrutiny Committee Forward Work Programmes are updated and published by the Council on a quarterly basis which encourages engagement / involvement by the public in the decision-making process.
- 3.3** The Scrutiny Public Participation Guide can be found at
<https://www.valeofglamorgan.gov.uk/Documents/Our%20Council/Scrutiny/Guidance/Public-Scrutiny-Booklet.pdf>
- 3.4** The Scrutiny Forward Work Programme provides details of reports and items proposed to be considered by the Committee over the coming Municipal year (May 2021 – April 2022).
