THE VALE OF GLAMORGAN COUNCIL

CORPORATE PERFORMANCE AND RESOURCES SCRUTINY COMMITTEE:  $17^{TH}$  MARCH, 2022

REFERENCE FROM CABINET: 28<sup>TH</sup> FEBRUARY, 2022

## "C844 VALE OF GLAMORGAN COUNCIL – PROPOSED FEES AND CHARGES FOR 2022/23 (EL/PR) (SCRUTINY – ALL) –

The purpose of the report was to propose changes in service charges for functions managed by the Council in the following directorates for the financial year 2022/23:

- Environment and Housing
- Managing Director and Resources
- Learning and Skills
- Social Services

The report sought Cabinet approval of fees and charges for The Vale of Glamorgan Council for 2022/23.

The majority of the proposed fees and charges contained in the report and associated appendices reflected an increase of 3% which had been rounded in some cases to the nearest 5p or 10p. Some fees and charges had increased higher than this percentage, remained the same or decreased to reflect the take up of services and the cost of delivery and the rationale for doing so was outlined in the body of the report.

The report would be referred to Corporate Performance and Resources Scrutiny Committee for comment and these comments would be reviewed by Cabinet in March.

Councillor King said that many of the fees and charges within his Portfolio had not been altered. Some were subject to a subsequent assessment and separate report to Cabinet. Others had been uplifted by 3% which was notionally inflation and a reflection of increased costs for officer time. He drew attention to the reduction in the cost of season tickets for parking at coastal resorts from £50 to £30 for 6 months and from £100 to £50 for a full year. This would benefit Vale of Glamorgan residents who visit them all year round as it would effectively reduce the cost of parking to 33p per day if visiting three times a week for the year.

Although not part of the report, Councillor King said that the Council were about to commence the installation of a rising bollard and Automatic Number Plate Recognition (ANPR) system at Rivermouth Car Park, Ogmore. He was working with officers on a suitable incremental charging system that would provide more options than the current £1 for 1 hour and £6 all day arrangements and would request the use of Delegated Authority to introduce new charges after installation, if granted.

Officers would then learn from that installation for any future installation at Barry Island car parks where ANPR equipment funding had been allocated within the Capital Programme for 2022/23.

Councillor King also noted that the refence to 'Blue dog poo bags pack of 50' in Appendix 1A was to be deleted as bags are only now sold in packs of 100.

The Deputy Leader welcomed the reduction in season ticket costs at coastal car parks as local residents could then go to the resorts as often as they wanted for as long as they wanted. She also welcomed the proposed use of various coastal locations for Weddings & Civil Partnerships and that the booking of events at the Penarth Pavilion were proving to be exceptionally popular.

This was a matter for Executive decision.

Cabinet, having considered the report and all the issues and implications contained therein,

### RESOLVED -

(1) T H A T the proposals for amendments to fees and charges and associated policy and process changes as set out in the report and the associated appendices be approved, subject to the amendment to Appendix 1A.

(2) T H A T the report be referred to the Corporate Performance and Resources Scrutiny Committee for comment, if there are no comments to be referred to Cabinet the Fees and charges be approved as resolution (1) above.

(3) T H A T delegated authority be granted to the Director of Environment and Housing Services in consultation with the Head of Finance and the relevant Cabinet Member, to agree and set any new charges for the Directorate that may arise during the course of the financial year 2022/23.

#### Reasons for decisions

(1) To obtain Cabinet's approval of the fees and charges proposed for 2022/23 and noting the change to Appendix 1A.

(2) To enable Cabinet to consider the views of the Scrutiny Committee when reaching a determination on these matters.

(3) To enable new charges to be introduced as early as possible for any new services provided by the Council."

Attached as Appendix – Report to Cabinet – 28<sup>th</sup> February, 2022

Г

Meeting of:	Cabinet
0	
Date of Meeting:	Monday, 28 February 2022
Relevant Scrutiny Committee:	All Scrutiny Committees
Report Title:	Vale of Glamorgan Council - Proposed Fees and Charges for 2022/23
	To propose changes in service charges for functions managed by the Council in the following directorates for the financial year 2022/23:
Purpose of Report:	<ul> <li>Environment and Housing</li> <li>Managing Director and Resources</li> <li>Learning and Skills</li> <li>Social Services</li> </ul>
Report Owner:	Report of the Executive Leader and Cabinet Member for Performance and Resources
Responsible Officer:	Interim Head of Finance/ Section 151 Officer
Elected Member and Officer Consultation:	Directorate of Environment and Housing Services Directorate of Social Services Directorate of Resources Directorate of Learning and Skills Committee Reports Finance Equalities
Policy Framework:	This is a matter for Executive decision by Cabinet.

- This report seeks Cabinet approval of fees and charges for The Vale of Glamorgan Council for 2022/23.
- The majority of the proposed fees and charges contained in this report and associated appendices reflect an increase of 3% which has been rounded in some cases to the nearest 5p or 10p. Some fees and charges have increased higher than this percentage, remained the same or decreased to reflect the take up of services and the cost of delivery and rationale for doing so is outlined in the body of this report.
- This report will be referred to Corporate Performance and Resources Scrutiny Committee for comment and these comments will be reviewed by Cabinet when it meets in March.

## Recommendations

- 1. That Cabinet approve the proposals for amendments to fees and charges and associated policy and process changes as set out in this report and the associated appendices.
- 2. That Cabinet refers this report to the Scrutiny Committee (Corporate Performance & Resources) for comment.
- **3.** That Cabinet provide delegated authority to the Director of Environment & Housing Services in consultation with the Head of Finance and the relevant Cabinet Member, to agree and set any new charges for the Directorate that may arise during the course of the financial year 2022/23.

## **Reasons for Recommendations**

- 1. To obtain Cabinet's approval of the fees and charges proposed for 2022/23
- **2.** To enable Cabinet to consider the views of the Scrutiny Committee when reaching a determination on these matters.
- **3.** To enable new charges to be introduced as early as possible for any new services provided by the Council.

## 1. Background

- 1.1 In October 2017, Cabinet approved the Income Generation and Commercial Opportunities Strategy. The Strategy sets out that as public funding becomes increasingly constrained and under more intense scrutiny, greater emphasis has to be placed upon self-generated income and developing and presenting products and services that will resonate with paying customers. The Strategy is based around a series of strategic objectives, with associated policy principles. These objectives and principles are intended to ensure the consistent consideration and implication of income generation proposals.
- **1.2** The Council delivers a number of chargeable services through the Directorate of Environment and Housing Services. These charges are set on an annual basis and this report sets out proposals for changes to fees and charges (with associated policy/process changes) for the Directorates of Environment and Housing, Development Management, Regeneration, Social Services, Resources and Learning and Skills
- **1.3** As revenue budgets have reduced in recent years, income from fees and charges becomes ever more important as a way of sustaining priority services. The Council has a wide range of income sources that feed into its operational budgets and these include Welsh Government grants, income from external works, fines, and a number of fees and charges that are levied to the public and the commercial sector.

- **1.4** As part of the action plan to deliver the Income Generation and Commercial Opportunities Strategy, a review of all existing fees and charges is underway. At times of financial pressure, there may be a temptation to propose high fee increases. However, this would not necessarily guarantee a commensurate income increase across all areas, as patronage of certain services could reduce.
- **1.5** This report sets out the proposed fees and charges for the range of services offered by the Council. Specific details are provided within the body of the report for Cabinet's consideration where there are significant changes to the fees and charges or associated policy/processes involved. The remaining fees and charges are detailed in the relevant appendices which show the current and proposed level of charges.
- **1.6** The CPI rate in January 2022 was reported at 5.5% up from 5.4% in December 2021. However having considered the main driver for the costs associated with fees and charges is staff time it is recommended that unless mentioned in this report an increase of 3% (which reflects estimated staff pay awards for 2022/23 and whilst this rate is below CPI it reflects some of the inflationary pressures being experienced by services) has been applied and rounded to the nearest 10p.
- **1.7** An Equalities Impact Assessment has been undertaken as part of the review of fees and charges and can be found in Appendix 7.

### 2. Key Issues for Consideration

**2.1** The proposed charges for services for 2022/23 are set out in the appendices as follows:

### Appendix 1 - Environment and Housing

1a Neighbourhood Services 1b Engineering and Transportation 1c Porthkerry Cemetery

### Appendix 2 - Resources

2a Registrars 2b Land Charges 2c Legal Services 2d Property Services 2e Human Resources

#### Learning and Skills

Appendix 3 - Adult Community Learning Appendix 4 - Penarth Pier Pavilion

### Appendix 5 - Place

5a Cosmeston Lakes 5b Medieval Village 5c Porthkerry Country Park 5d Glamorgan Heritage Coast 5e Public Rights of Way 5f Reptile Translocation

#### **Appendix 6 - Social Services** 6a Internal Day Services 6b Telecare

- **2.2** To ensure that current charges reflect inflationary pressures, it is proposed to uplift the majority of service fees by the amounts contained within the attached appendices.
- **2.3** A number of charges are also proposed to be increased to better reflect the actual costs of service provision in a move towards full cost recovery which is one of the objectives of the Income Generation & Commercial Opportunities Strategy and to generate additional revenue where this is appropriate and the analysis of demand suggests it is possible to do so. In some instances, this requires changes to the policy/processes involved and these are detailed below.

#### **ENVIRONMENT AND HOUSING**

#### Neighbourhood Services (Appendix 1a)

- **2.4** The majority of charges for Neighbourhood Services are proposed to increase in line with inflation (or slightly more reflecting take up of services and the cost of delivery). A small number of the fees and charges have remained the same as they are deposits paid by the customer which are later refunded.
- **2.5** The following describe changes to fees and charges and associated policies and processes where an alternative approach has been followed.

### **Bowling Green Charges**

**2.6** These charges no longer appear within the report as Bowling Green facilities have been transferred over to the clubs based at the sites, to enable the Council to reduce the cost of maintaining these facilities.

### Jenner Park Lighting

**2.7** Due to the current above inflation increase within the energy market and the additional cost of electricity it is proposed to increase the charges by an amount of 5% for 2022/23.

### **Bulky Waste**

**2.8** It is proposed for bulky waste fees to remain the same as 2021/22. The Council's bulky item collection service currently costs £20 per three items. Additional items are charged at £5 each (up to a maximum of two items), and it is recommended this charge remains unchanged for 2022/23.

#### **Commercial Waste**

2.9 A review of the commercial waste charges was undertaken in 2018/19. In order for the service to remain competitive, it was recommended that Commercial Waste charges remain the same for 2020/21 with a CPI increase of 0.7% in 2021/22. Due to the competitive nature of the service and the need to review the service later in the year when the full roll out of source separated recycling has been undertaken, it is proposed that the charges for Commercial Waste are frozen for 2022/23.

#### **Beach Huts**

2.10 It is proposed to increase the fees and charges for daily hire and annual passes for beach huts at the recommended 3% for 2022/23. New charges are also proposed for Weddings & Civil Partnerships at various coastal locations, these are:

\*Beach Huts

\*Barry Island Amphitheatre

\*Band Stand

\*Jacksons Bay Beach

The proposed cost for this service is still being reviewed and will be introduced during the course of the year via the delegated powers requested in this report.

#### **Roundabout Advertising and Sponsorship**

2.11 The Council's external agreement for roundabout and boundary sign sponsorship terminated in February 2020 and as such the Council is now running the scheme in house. The fees proposed in relation to roundabout and boundary sign sponsorship are minimum fees to reflect the anticipated demand for these services to local businesses and in March 2020 Cabinet delegated authority to the Director of Environment and Housing to vary fee levels in appropriate circumstances in respect of roundabout advertising contracts. It is proposed that these fees remain unchanged as the in-house service is embedded.

#### Docking of Waverley and Balmoral at Penarth Pier

2.12 It is proposed that these costs are increased above the rate of inflation to work towards full cost recovery to provide this service, as 2 staff are required to be present when the boats dock at the Pier. There is also a differential in charges for docking on Saturdays, Sundays or Bank Holidays to reflect the increase in payments that need to be made to employees.

#### **Highway Crossover**

**2.13** A new charge has been introduced for a Provisional Crossover Licence agreement. This may be granted where there exists a low upstand kerb and the footway appears to be of sound condition. The proposed charge is £100, which is lower than the charge for a formal crossover, which reflects the reduced officer time involved in the process. The footway will be monitored and if at any time appears to be damaged from clear vehicular use, then a formal application for the construction of a crossover must be applied for.

### Engineering and Transportation (Appendix 1b)

#### Car Parks

2.14 It is proposed daily car park charges at town centre and coastal locations remain as is at present however, it is proposed to reduce the cost of 6 monthly & 12 monthly permits for the coastal car parks, to £30 and £50 respectively. It is felt that by reducing the prices for permits in the coastal car parks this will help to reduce demand for the limited on street spaces available at these locations.

#### **Permanent Traffic Order**

**2.15** It is proposed to increase the charge by 3% plus another £500 to reflect the increased costs of providing this service.

#### **Outdoor Trading Spaces**

**2.16** The review of the Outdoor Trading policy is due to go to Cabinet shortly which will include a review of the fees charged for this service, therefore until this time the fees will remain at the same rate as in 2021/22.

#### Transportation

2.17 Due to the increasing costs of providing school transport, it is proposed that the fee for an annual travel pass on a contracted mainstream school bus service is to be increased in line with inflation and rounded up to the nearest pound. A replacement bus pass charged at £10 is to remain at the same charge for 2022/23.

#### Porthkerry Cemetery (Appendix 1c)

**2.18** As in previous years, the charges proposed are those put forward by Barry Town Council who manage the Cemetery on the Council's behalf. The rates are in line with those charged by Barry Town Council at their cemetery in Barry.

### RESOURCES

#### **Registrars (Appendix 2a)**

**2.19** Details of the fixed fees charged by the Registration Service are set out in Appendix 2a. The figures for 2021/22 reflect the fixed fees which have applied and which are charged in respect of the matters set out. The fixed fees will continue to apply for 2022/23 with a standard 3% increase rounded to the nearest £5 or £10 and will continue to be reviewed on an annual basis.

### Land Charges (Appendix 2b)

**2.20** Details of the fixed fees charged in relation to Land Charges are set out in Appendix 2b. As above, the figures for 2021/22 reflect the fixed fees which have applied and which are charged in respect of the matters set out. The fixed fees

will continue to apply for 2022/23 with a standard 3% increase rounded to the nearest 10p and will continue to be reviewed on an annual basis.

## Legal Services (Appendix 2c)

- 2.21 Within Legal and Democratic Services there are a number of chargeable services. In respect of Legal Services, numerous powers exist which permit charging pursuant to section 111 of the Local Government Act 1972 and powers under section 93 and 94 of the Local Government Act 2003 to charge for discretionary services on a cost recovery basis.
- **2.22** In addition, an officer delegation has been in place since 2003 for the setting and review of the legal fees payable to the Council.
- **2.23** In respect of routine and non-urgent matters standard fixed fee charges apply and include legal work relating to conveyancing transactions, leases and licenses, amongst other matters. If a matter charged at a fixed fee becomes protracted, unduly complicated, the right is reserved to charge at an hourly rate if charging a fixed fee would not result in the Council recovering its costs.
- 2.24 Non-fixed fee work is charged at an hourly rate and usually relates to more complex or urgent work under various legislation and can include public rights of way under the application legislation, development agreements, special events, highways work, under the applicable legislation and planning and associated work.
- **2.25** Legal services are provided through a Service Level and through other agreements. Services provided under such agreements are charged at an hourly rate, which are determined by the level of seniority and qualification of the legal officer assigned to the work.
- **2.26** Details of the fixed fees charged by Legal Services are set out in Appendix 2c. The figures for 2020/21 reflect the fixed fees which have applied and which are charged in respect of the matters set out. The fixed fees will continue to apply for 2022/23 with a standard 3% increase rounded to the nearest 10p and will continue to be reviewed on an annual basis.

### **Property Services (Appendix 2d)**

2.27 Details of the fixed fees charged by Property Services are set out in Appendix 2d. The figures for 2021/22 reflect the fixed fees which have applied and which are charged in respect of the matters set out. The fixed fees will continue to apply for 2022/23 with a standard 3% increase rounded to the nearest 10p and will continue to be reviewed on an annual basis.

#### Human Resources (Appendix 2e)

- **2.28** Appendix 2e outlines the fees levied in Human Resources in respect of DBS checks and payroll for external organisations.
- **2.29** For DBS checks it is proposed the fee remains at £16. The service has made no change to the charge in previous years and the charge continues to cover the administration cost fully in relation to DBS umbrella body checks.
- **2.30** In relation to the Payroll Bureau Service for External organisations, it is proposed that the fee is increased in line with the suggested inflationary increase of 3%.

### PLACE

### Countryside

- **2.31** The proposals will enable the Country Parks to plan for the future management of the sites in a sustainable manner in times of reduced funding.
- **2.32** Saving targets for the Countryside Service include the generation of additional income and these proposals seek to raise income from users of services which require resources to maintain and/or deliver, in a fair and balanced way, whilst also maintaining viable competitive services and attracting visitors and tourists as appropriate.

### **Cosmeston Lakes (Appendix 5a)**

**2.33** Appendix 5a shows proposed changes to charges. In some cases charges remain unchanged to reflect current market trends, in others they increase by around the rate of inflation or a little more, reflecting the take up of services and cost of delivery. This approach will reflect the true value of the unique facility and recognise the need to recover costs incurred to sustain the operation of the country parks.

### Medieval Village (Appendix 5b)

**2.34** Appendix 5b shows that the majority of prices have remained the same to reflect market value, in others they increase by around the rate of inflation or a little more. From the 1st of April 2022 it is proposed that there will be limited free entry into the Medieval Village, free access will not be permitted whilst third party events and educational tours are taking place. Any bookings for external commercial activity will attract a fee.

### Porthkerry Country Park (Appendix 5c)

**2.35** Appendix 5c shows proposed charges for Porthkerry, showing that the majority of prices reflect those of Cosmeston. In some cases, charges remain unchanged

to reflect current market trends, in others they increase by around the rate of inflation or a little more, reflecting the take up of services and cost of delivery.

#### Glamorgan Heritage Coast (Appendix 5d)

**2.36** Proposed charges are set out in Appendix 5d, which are largely unchanged and in line with the Country Parks.

#### Public Rights of Way (Appendix 5e)

**2.37** Proposed charges are set out in Appendix 5e, which remain unchanged as set charges were recently introduced and the market is being gauged.

#### **Reptile Translocation (Appendix 5f)**

**2.38** The proposals set out in Appendix 5f remain unchanged as set charges were recently introduced and the market is still being gauged.

#### LEARNING AND SKILLS

#### Adult Community Learning (Appendix 3)

- **2.39** The Council delivers a number of chargeable services through Adult Community Learning (ACL).
- **2.40** The proposed fees for 2022/23 are set out in Appendix 3. Fees for the 10 week courses and Fitness classes are being increased at above 3% to reflect market conditions. However the charge for one day courses will be maintained for 2022/23 at the same level as in 2021/22.

#### 2.41 Penarth Pier Pavilion (Appendix 4)

**2.42** The charges introduced for room hire with effect from September 2021 are set out in Appendix 4. Future increases to room hire costs will need to be considered in the context of the Penarth Pier Pavilion business case that is currently being prepared and will reflect market conditions to ensure the provision remains commercially viable.

#### **SOCIAL SERVICES (Appendix 6)**

2.43 The Social Services and Well-Being (Wales) Act 2014 ('the Act') came in to force on 6th April 2016. It provides the statutory framework to deliver the Welsh Government's commitment to focus on well-being, rights and responsibilities. It brought together into a single piece of legislation local authorities' duties and functions in relation to improving the well-being of adults who need care and support and adult carers who need support.

- **2.44** The Act provides for a single legal framework for charging adults for care and support and for charging carers for support.
- 2.45 In addition, a Code of Practice (Parts 4 & 5 Charging for Financial Assessment) ('the Guidance') was issued under S145 of the Act. When carrying out their social services functions, local authorities must act in accordance with any requirements and have regard to any guidelines contained in the Guidance.
- **2.46** The Council delivers several chargeable services through the Directorate of Social Services, the majority of which fall under the requirements of the Act e.g. maximum charges for non-residential care, assessed charges for residential and nursing care, day services and telecare services.
- 2.47 The department has a wide range of income sources that feed into operational budgets such as WG and Health funding. It is anticipated that the proposed increase in fees will affect a small number of service users i.e. those who currently receive services that cost less than their assessed weekly charge, or those who receive only preventative services that are charged at a weekly flat rate. It will, however increase the amount of income that can be recharged for joint funded packages of care i.e. those funded by both Social Services and the Health Board.
- **2.48** The Act cautions against the imposition of charges that may deter people from agreeing to the provision of services. In addition, the Act seeks to encourage the use of preventative services, and any charges would need to take this consideration into account.
- 2.49 In reviewing the fees and charges for Social Services, the following objectives and policy principles contained within the Income Generation and Commercial Opportunities Strategy have been considered and the following principles relate to the proposals contained in this report:
- The Council will ensure that charging is considered where a legal power exists (or no legal barrier preventing it) to do so.
- The Council will ensure that debt recovery procedures are followed in line with the Social Services Debt Recovery Policy.
- The Council will ensure that any impact on demand is used to consider the level at which fees and charges are set when introducing or modifying fees and charges.
- The Council will ensure that actions taken with regards to income generation and commercial opportunities are consistent with corporate strategies. These include the well-being outcomes, objectives and overall vision and values of the Council as set out in the Corporate Plan, the Council's Medium-Term Financial Plan and in the delivery of the Reshaping Services Programme, as well as other corporate planning documents.

- **2.50** To ensure that current costs reflect the cost of services it is proposed to uplift day service fees by the amalgamated estimated inflation assumption of 3%.
- **2.51** The charges for Telecare have not been increased for 2022/23 and a review of the costs of delivering the service will be carried out.
- **2.52** The proposed charges for services for 2022/23 are set out in the appendices as follows:

Appendix 6a: Internal Day Services Appendix 6b: Telecare

# 3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

**3.1** It is necessary to review fees on an annual basis to ensure the continuation of services in light of increasing costs. This is undertaken in the context of the Wellbeing of Future Generations Act which requires the Council to consider five ways of working when making decisions. Thinking to the longer-term is a key consideration when setting fees and charges, to minimise the impact on the Council's ability to provide services in the future that the current budgetary pressures present. The proposals also seek to further the Council's Well-being Outcomes contained within the Corporate Plan. Fees and charges have been proposed to further these objectives, within the context of the financial cost of doing so. There are no specific climate change implications arising from the fee increases proposed.

## 4. Resources and Legal Considerations

### **Financial**

**4.1** The fee increases outlined in this Report assist in reducing to the budgetary pressures within the Directorates.

### **Employment**

**4.2** There are no employment implications arising from the proposals in this report.

### Legal (Including Equalities)

- **4.3** Under relevant legislation the Council is permitted to charge for certain services it provides. Full details of the relevant legislation on fees and charges is contained in the Income Generation and Commercial Opportunities Strategy.
- **4.4** An equal opportunities scoping assessment has been undertaken and shows that there are no unacceptable adverse effects on the protected characteristics

identified by the assessment. It is also considered that the charges proposed will not preclude any sectors of the community from accessing the services provided.

## 5. Background Papers

None.

#### Appendix 1a NEIGHBOURHOOD SERVICES - SERVICE CHARGES

PLANNING AND BUILDING REGULATIONS			
1.1. Decisions and Pending Applications			
Which of the following relating to the property have been granted, issued or refused or (where applicable) are the subject of pending			
applications:			
(a) a planning permission	£3.75	1.03	£3.90
(b) a listed building consent)	£3.75	1.03	£3.90
(c) a conservation area consent	£3.75	1.03	£3.90
(d) a certificate of lawfulness of existing use or development	£3.75	1.03	£3.90
(e) a certificate of lawfulness of proposed use or development	£3.75	1.03	£3.90
(f) a certificate of lawfulness of proposed works for listed buildings	N/A – English		
	Legislation		
(g) a heritage partnership agreement	£3.75	1.03	£3.90
(h) a listed building consent order	N/A – English		
	Legislation		
(i) a local listed building consent order	£2.05	1.03	£2.10
(j) building regulations approval	£2.05	1.03	£2.10
(k) a building regulation completion certificate and	£2.05	1.03	£2.10
(I) any building regulations certificate or notice issued in respect of work carried out under a competent person self-certificate scheme?			
1.2. Planning Designations and Proposals			
What designations of land use for the property or the area, and what specific proposals for the property, are contained in any existing or proposed development plan ?	£4.05	1.03	£4.20
2. ROADS AND PUBLIC RIGHTS OF WAY			
2.1 Which of the roads, footways and footpaths named in the application for this search (via boxes B and C) are:			
(a) highways maintainable at public expense;	£2.05	1.03	£2.10
(b) subject to adoption and, supported by a bond or bond waiver	£2.05	1.03	£2.10
(c) to be made up by a local authority who will reclaim the cost from the frontagers;	£2.05	1.03	£2.10
(d) to be adopted by a local authority without reclaiming the cost from the frontagers ?	£2.05	1.03	£2.10

PUBLIC RIGHTS OF WAY 2.2 Is any public right of way which abuts on, or crosses the property, shown on a definitive map or revised definitive map?	£2.05	1.03	£2.10
2.3 Are there any pending applications to record a public right of way that abuts, or crosses the property, on a definitive map or revised	£2.05	1.03	£2.10
definitive map?			
2.4 Are there any legal orders to stop us, divert, alter or create a public right of way which abuts, or crosses the property not yet implemented or shown on a definitive map?	£2.05	1.03	£2.10
2.5 If so, please attach a plan showing the approximate route.	£4.65	1.03	£4.80
OTHER MATTERS			
Apart from matters entered on the registers of local land charges, do any of the following matters apply to the property? If so, how can copies of relevant documents be obtained?			
3.1. Land Required for Public Purposes			
Is the property included in land required for public purposes?	£2.05	1.03	£2.10
3.2. Land to be Acquired for Road Works			
Is the property included in land required for road works?	£1.05	1.03	£1.10
3.3. Drainage Matters			
(a) Is the property served by a sustainable urban drainage system (SuDs)?	£1.35	1.03	£1.40
(b) Are there SuDs features within the boundary of the property? If yes is the owner responsible for maintenance?	£1.35	1.03	£1.40
(c) If the property benefits from a SuDs for which there is a charge, who bills the property for the surface water drainage charge?	£1.35	1.03	£1.40
3.4 Nearby Road Schemes			
Is the property (or will it be) within 200 metres of any of the following-: (a) the centre line of a new trunk road or special road specified in any order, draft order or scheme;	£1.05	1.03	£1.10
	11.05	1.05	11.10
(b) the centre line of a proposed alteration or improvement to an existing road involving construction of a subway, underpass, flyover,	£1.05	1.03	£1.10
footbridge, elevated road or dual carriageway,			
(c) the outer limits of construction works for a proposed alteration or improvement to an existing road, involving (i) construction of a	£1.05	1.03	£1.10
roundabout (other than a mini roundabout); or (ii) widening by construction of one or more additional traffic lanes;			
(d) the outer limits of (i) construction of a new road to be built by a local authority; (ii) an approved alteration or improvement to an	£1.05	1.03	£1.10
existing road involving construction of a subway, underpass, flyover, footbridge, elevated road or dual carriageway; or (iii) construction of			
a roundabout (other than a mini roundabout) or widening by construction of one or more additional traffic lanes;			
(e) the centre line of the proposed route of a new road under proposals published for public consultation;	£1.05	1.03	£1.10
	11.05	1.05	11.10

(f) the outer limits of (i) construction of a proposed alteration or improvement to an existing road involving construction of a subway, underpass, flyover, footbridge, elevated road or dual carriageway; (ii) construction of a roundabout (other than a mini roundabout); or (iii) widening by construction of one or more additional traffic lanes, under proposals published for public consultation ?

#### 3.5. Nearby Railway Schemes

(a) Is the property (or will it be) within 200 metres of the centre line of a proposed railway, tramway, light railway or monorail?

(b) Are there any proposals for a railway, tramway, light railway or monorail within the Local Authority's boundary?

#### 3.6. Traffic Schemes

Has a local authority approved but not yet implemented any of the following for the roads, footways and footpaths (which are named In Boxes B and C) and are within 200 metres of the boundaries of the property?

(a) permanent stopping up or diversion;(b) waiting or loading restrictions;

(c) one way driving;

(d) prohibition of driving;(e) pedestrianisation;

(f) vehicle width or weight restriction;

(g) traffic calming works including road humps(h) residents parking controls;

(i) minor road widening or improvement;

(j) pedestrian crossings;(k) cycle tracks;

(I) bridge building;(Prior to publicity programmes for schemes etc).

3.7. Outstanding Notices

Do any statutory notices which relate to the following matters subsist in relation to the property other than those revealed in a response to any other enquiry in this form? (a) building works (b) environment

(c) health and safety

(d) housing

- (d) Has the local authority received full or part payment of any CIL liability?
- (e) Has the local authority received any appeal against any of the above?
- (f) Has a decision been taken to apply for a liability order?
- (g) Has a liability order been granted?
- (h) Have any other enforcement measures been taken?
- 3.11. Conservation Area
- Do the following apply in relation to the property

(a) the making of the area a Conservation Area before 31 August 1974;(b) an unimplemented resolution to designate the area a Conservation Area

3.12. Compulsory Purchase Has any enforceable order or decision been made to compulsorily purchase or acquire the property ?

#### 3.13. Contaminated Land

Do any of the following apply (including any relating to land adjacent to or adjoining the property which has been identified as contaminated land because it is in such a condition that harm or pollution of controlled waters might be caused on the property);

#### (a) a contaminated land notice;

(b) in relation to a register maintained under Section 78R of the Environmental Protection Act 1990:

- (i) a decision to make an entry;
- (ii) an entry;

(c) consultation with the owner or occupier of the property conducted under Section 78G(3) of the Environmental Protection Act 1990 before the service of a remediation notice?

#### 3.14. Radon Gas

Do records indicate that the property is in a "Radon Affected Area" as identified by Public Health England or Public Health Wales

#### 3.15 Assets of Community Value

- (a) Has the property been nominated as an asset of community value? If so:
- (i) Is it listed as an asset of community value?
- (ii) Was it excluded and placed on the "nominated but not listed" list?
- (iii Has the listing expired?
- (iv) Is the Local Authority reviewing or proposing to review the listing?
- (v) Are there any subsisting appeals against the listing?

(b) If the property is listed:

(i) Has the local authority decided to apply to the Land Registry for an entry or cancellation of a restriction in respect of listed land affecting the property?

(ii) Has the local authority received a notice of disposal?

(iii Has the community interest group requested to be treated as a bidder?

1. References to the provisions of particular Acts of Parliament or Regulations include any provisions which they have replaced and also include existing or future amendments or re-enactments;

2. The replies will be given in the belief that they are in accordance with information presently available to the officers of the replying local authority, but none of the local authorities or their officers accepts legal responsibility for an incorrect reply, except for negligence. Any legal responsibility for negligence will be owed to the person who raised the enquiries and the person on whose behalf they were raised. It will also be owed to any other person who has knowledge (personally or through an agent) of the replies before the time when he purchases, takes a tenancy of, or lends money on the security of the property or (if earlier) the time when he becomes contractually bound to do so.

3. This form should be read in conjunction with the guidance notes available separately.

4. Area means any area in which the property is located.

5. References to the Local Authority include any predecessor Local Authority and also any Local Authority committee, sub-committee or other body or person exercising powers delegated by the Local Authority and their approval includes their decision to proceed. The replies given to certain enquiries cover knowledge and actions of both the District Local Authority and County Local Authority.

6. Where relevant, the source department for copy documents should be provided.

## **Equality Impact Assessment**

Please click on headings to find <u>general guidance</u> or section guidance with an example. You will find supporting information in appendices at the end of the guidance.

When you start to assess your proposal, arrange to meet Tim Greaves, Equality Coordinator, for specific guidance. Send the completed form to him for a final check and so that he can publish it on our Vale of Glamorgan equality web pages.

Please also contact Tim Greaves if you need this equality impact assessment form in a different format.

## 1. What are you assessing?

Vale of Glamorgan Council Fees and Charges 2022/23

## 2. Who is responsible?

Name		Job Title	
Team	Corporate Management Team	Directorate	All Services

## 3. When is the assessment being carried out?

Date of start of assessment	November 2021
-----------------------------	---------------

## 4. Describe the proposal?

#### What is the purpose of the proposal?

This report sets out the proposed fees and charges for the range of services offered by the Council. Specific details are provided within the body of the report for Cabinet's consideration where there are significant changes to the fees and charges or associated policy/processes involved. The remaining fees and charges are detailed in the relevant appendices which show the current and proposed level of charges. It is recommended that unless mentioned in this report an increase of 3% (reflecting staff pay estimates and some contribution towards inflationary pressures) has been applied and rounded to the nearest 10p.

Particular attention should be given to the following where it is proposed fees and charges are increased at a higher rate than above, decreased or to remain the same.

Jenner Park Lighting – due to the increase in energy costs it is proposed to increase charges by 5%.

- It is proposed for Bulky waste, fees should remain the same as 2021/22

- It is proposed that Commercial Waste charges remain the same as last year.

- The Council currently levies a charge for the replacement of alley gate, allotment

and slipway keys. It is proposed for these charges to remain the same in 2022/23. - It is proposed to increase the fees and charges in relation to the rental of beach huts at 3% but some additional charges will be introduced for Weddings and Civil Ceremonies to reflect the continued high demand for the service and the associated operational costs. The fees for these additional services are still being reviewed and due to be set later in the year.

- It is proposed that roundabout sponsorship fees remain unchanged as the in-house service is embedded.

- Docking of Waverley and Balmoral at Penarth Pier. It is proposed that these charges are increased at an above inflation rate to reflect the cost of providing this service.

 A new charge has been introduced for a Provisional Crossover Agreement and has been set at £100.

- Permanent Traffic Order. It is proposed to increase the charge by 3% plus another £500 to reflect the increased costs of providing this service.
- Outdoor Trading Spaces. It is proposed that this charge remains the same for 2022/23.

- It is proposed daily car park charges remain as is at present due to the Council wide review of car parking charges. However it is proposed to reduce the cost of Coastal parking permits to help reduce the demand for limited on street parking at these locations. The 6 monthly and 12 monthly permits are proposed to be reduced to £30 and £50 respectively.

- It is proposed that the fee for an annual travel pass on a contracted mainstream school bus service are increased by 3% to reflect the increasing costs of providing transportation, however a replacement bus pass will remain at the same charge as 21/22 which is £10.

- Land Charges – it is proposed that the fixed fees continue to apply with the standard 3% increase.

- For DBS checks it is proposed the fee remains at £16. The service has made no changes to this charge in previous years and the charge continues to cover the administration cost fully in relation to DBS umbrella body checks.

- The majority of Countryside fees remain unchanged however the Medieval village fees From the 1st of April 2022 it is proposed that there will be limited free entry into the Medieval Village, free access will not be permitted whilst third party events and educational tours are taking place. Any bookings for external commercial activity will attract a fee.

- For ACL Fees for the 10 week courses and Fitness classes are being increased at above 3% to reflect market conditions. However the charge for one day courses will be maintained for 2022/23 at the same level as in 2021/22.

-Social Services Telecare - The charges for Telecare have not been increased for 2022/23 and a review of the costs of delivering the service will be carried out.

#### Why do you need to put it in place?

As part of the action plan to deliver the Income Generation and Commercial Opportunities Strategy, a review of all existing fees and charges is underway throughout the Authority. At times of financial pressure, particularly this year with the impacts of Covid-19, there may be a temptation to propose high fee increases. However, this would not necessarily guarantee a commensurate income increase across all areas, as patronage of certain services could reduce.

These considerations are consistent with the Income Strategy and have informed the proposals contained in this report.

#### Do we need to commit significant resources to it (such as money or staff time)?

No

#### What are the intended outcomes of the proposal?

The proposals contained in the report are approved. This is to ensure that consideration has been given to all fees/charges across the Council to ensure they are consistent with the principles contained within the Income Generation and Commercial Opportunities Strategy.

#### Who does the proposal affect?

**Note:** If the proposal affects lesbian, gay, homosexual, or transgender people, ensure you explicitly include same-sex couples and use gender neutral language.

It affects everyone who works for the Council, its customers and the residents of the Vale of Glamorgan.

#### Will the proposal affect how other organisations work?

This will vary according to the service and the nature of the changes that have to be made. Where these could potentially have a high impact upon other organisations (e.g. changes to service level agreements with third sector organisations), these will be subject to further consultation and analysis prior to any change in policy or approved saving being implemented. The Reshaping Services programme will explore alternative models for service delivery which could have a direct impact on other organisations.

#### Will the proposal affect how you deliver services?

No.

#### Will the proposal impact on other policies or practices?

Demand may be impacted due to changes in fees and resources allocated to particular

functions. This will be monitored following implementation of the fees.

# Can you change the proposal so that it further promotes equality of opportunity and fosters good relations?

The report proposes that the majority of fees and charges either remain the same or increase very marginally in line with the suggested 3.0% inflationary increase. For those services where it is proposed charges are increased at a higher rate, this is simply to achieve full cost recovery, or safe in the knowledge that demand won't be impacted. All fees and charges have been reviewed carefully in line with the impacts of the current situation and the Covid-19 pandemic.

#### How will you achieve the proposed changes?

Through Cabinet approval.

#### Who will deliver the proposal?

All Chief Officers are required to ensure that their income and expenditure is within the agreed budget.

#### How will you know whether you have achieved the proposal's purpose?

By the amount of income received and the number of users using the services. Charges can be altered in future years should there be a need to following a reassessment of demand or change in costs of providing the service.

The impact on all service users will be monitored to ensure any impact on users with protected characteristics can be identified

## 5. What evidence are you using?

#### Engagement (with internal and external stakeholders)

The proposals contained in the report have been considered internally by those delivering the services and via the consultation process for sign off of Committee Reports.

#### Consultation (with internal and external stakeholders)

The proposals contained in the report have been considered internally by those delivering the services and via the consultation process for sign off of Committee Reports.

#### National data and research

Key pieces of legislation relating to charging and trading are:

Local Government Act 2003 Section 93 – This allows the Council to charge for discretionary services, provided the recipient of the service has agreed to its provision, provided that there exists no other power to charge for a particular service elsewhere in other legislation, and/or provided that other legislation expressly excludes an authority from charging. In calculating the charge there is a limitation on the charging power which allows an authority only to recover the cost of provision. It is permissible for the authority to rely on s.93 where it is providing an enhancement to a mandatory service, resulting in a higher standard of service. The charge levied is for the enhanced element of the service.
Local Government Act 2003 Section 95 – This permits a local authority to undertake commercial activities in relation to their ordinary functions. The power in s.95 cannot be

utilised to authorise commercial trading in relation to a function that an authority is under a statutory duty to provide, and/or where an alternative commercial trading power already exists. The activity can only be carried out by a company within the meaning of the Local Government and Housing Act 1989.

• Local Authorities (Goods and Services) Act 1970 – This enables the Council to provide services to other Council's and to other public bodies but not to the private sector or the public in general.

 Social Services and Well-being (Wales) Act 2014 – This covers the financial aspects of Social Services support by highlighting how services will be paid for, why certain services will cost and who will be liable for covering that cost. Other Social Services specific regulation which has implications in this area includes: The Care and Support (Financial Assessment) (Wales) Regulations 2015; The Care and Support (Charging) (Wales) Regulations 2015; The Care and Support (Review of Charging Decisions and Determinations) (Wales) Regulations 2015; and The Care and Support (Deferred Payments) (Wales) Regulations 2015.

• There are other powers to charge available to the Council, including the power under s.145 of the Local Government Act 1972 in relation to the provision of entertainments. In acting under this power would not permit the Council to charge for any such activities using the charging power under s.93.

• The express power to charge for computer related services under section 38 of the Local Government (Miscellaneous Provisions) Act 1976.

• Section 111 of the Local Government Act 1972 – the Council may rely on the subsidiary powers under s.111 to permit the provision of services to allow for the discharge of a specific function. Where this occurs, the Council can charge under s.93 of the LGA 1972. In addition, it is necessary to review fees on an annual basis to ensure the continuation of services in light of increasing costs. This is undertaken in the context of the Well-being of Future Generations Act which requires the Council to consider five ways of working when making decisions. Thinking to the longer-term is a key consideration when setting fees and charges, to minimise the impact on the Council's ability

#### Local data and research

In drafting the Cabinet Report outlining the proposed changes and considering changes to fees and charges, desktop research on charging policies adopted by other neighbouring

Councils have been reviewed to ensure where possible our fees and charges are in line.

## 6. <u>How robust is the evidence?</u>

#### Does it show what the impact will be (positive and negative)?

The evidence shows that there are no unacceptable adverse effects on the protected characteristics identified by the assessment. It is also considered that the charges proposed will not preclude any sectors of the community from accessing the services provided.

#### What are the gaps?

During 2015/16, baseline assessments were drawn up for each service as part of the Council's Reshaping Services programme which have informed the process for determining the optimal models of service delivery. Up to date information with regard to individual services will be used to mitigate any gaps. The budget has been set with regard of the Corporate Service Priorities and Corporate Recovery Strategy.

#### What will you do about this?

There are no obvious gaps as a result of the proposals as the evidence shows there are no unacceptable adverse effects on the protected characteristics identified by the assessment. Members should however be aware of this EIA when reaching a decision on the proposals.

#### What monitoring data will you collect?

The implementation of any new or increased charges will continue to be monitored in line with Budget Monitoring practices to ensure the changes do not have a negative impact. Feedback from customers will be monitored via the usual channels e.g. Social Media, Complaints etc.

#### How often will you analyse and report on this?

Ongoing as part of Budget Monitoring processes

#### Where will you publish monitoring data and reports?

All committee reports are available on the Council's website.

## 7. Impact

### Is there an impact?

No impact on protected characteristic groups. Fees and charges are primarily increasing by inflation so should have a neutral impact on protected characteristic groups.

# If there is no impact, what is the justification for thinking this? Provide evidence.

No impact on protected characteristic groups. Fees and charges are primarily increasing By less than current levels of inflation so should have a neutral impact on protected characteristic groups.

If there is likely to be an impact, what is it?				
N/A Age Disability				
Gender reassignment, including gender identity (ensure policies explicitly include same-sex couples and use gender neutral language) Marriage and civil partnership (discrimination only) Pregnancy and Maternity				
Race Religion and belief				
Sex Sexual orientation (ensure policies explicitly include same-sex couples and use gender neutral language) Welsh language Human rights				

#### How do you know?

See Above

## What can be done to promote a positive impact?

N/A

## What can be done to lessen the risk of a negative impact?

Reference: Equality Impact Assessment Form June 2016 (Equality, Vale of Glamorgan Council)

# Is there a need for more favourable treatment to achieve equal outcomes? (Disability only)

N/A

## Will the impact be positive, negative or neutral?

Neutral

## 8. Monitoring ongoing impact

### Date you will monitor progress

Ongoing throughout the financial year

## Measures that you will monitor

We will continue to monitoring the revenue budget across all service areas to ensure we achieve income projections.

## Date you will review implemented proposal and its impact

As part of the initial revenue budget proposals for 2022/23.

## **Equality Impact Assessment**

## 9. Further action as a result of this equality impact assessment

Possible Outcomes	Say which applies
No major change	n/a
Adjust the policy	n/a
Continue the policy	It is recommended that the proposals for fees and charges and required policy/process changes as set out in the related report and associated appendices are approved.
Stop and remove the policy	N/A

## 10. Outcomes and Actions

Recommend actions to senior management team

n/a

Outcome following formal consideration of proposal by senior management team

n/a

## 11. Important Note

Where you have identified impacts, you must detail this in your Cabinet report when seeking approval for your proposal.

## 12. Publication

Where will you publish your approved proposal and equality impact assessment?

In addition to anywhere you intend to publish your approved proposal and equality impact assessment, you must send a copy to Tim Greaves, Equality Co-ordinator, to publish on the equality pages of the Vale of Glamorgan website.
