

## **The Vale of Glamorgan Council**

### **Environment and Regeneration Scrutiny Committee: 8 November, 2018**

#### **Report of the Director of Environmental and Housing Services**

#### **Civil Parking Enforcement Update**

##### **Purpose of the Report**

1. To update Committee on Civil Parking Enforcement activities in the Vale of Glamorgan for 2017/18 and from 1st April 2017 to 25th October 2018.

##### **Recommendations**

1. That Committee notes the contents of this Report.
2. That a further Civil Parking Enforcement Report is received by Committee in Summer 2019 outlining the full details of activities undertaken for 2018/19.

##### **Reasons for the Recommendations**

1. To update Committee on the work of Civil Enforcement Officers for 2017/18 and from 1st April 2018 to 25th October 2018.
2. To ensure Committee receive a further report outlining the Civil Parking Enforcement activities undertaken during 2018/19.

##### **Background**

2. On 1st April 2013, Bridgend County Borough Council and the Vale of Glamorgan Council were made responsible for the enforcement of the majority of on-street and off-street parking regulations under a scheme called Civil Parking Enforcement (CPE). The two neighbouring Councils operate a shared service arrangement which is led by Bridgend County Borough Council and governed by a Joint Service Agreement.
3. The Council is responsible for the enforcement of on-street and off-street parking regulations. Most parking contraventions, including yellow lines and parking bays can be enforced.
4. Civil Enforcement Officers help to identify illegal and irresponsible parking. Their role is to keep the roads clear and safe and to help achieve compliance with parking restrictions. In most instances, before issuing a ticket they will use their discretion and try to explain to the driver why they should not be parked illegally.

5. Any illegally or irresponsibly parked vehicles will be given a parking ticket known as a Penalty Charge Notice (PCN). PCNs are only issued where vehicles are parked in contravention of the parking restrictions. PCNs are administered by the Wales Penalty Processing Partnership (WPPP) based in North Wales. They also process and collect penalty charges on behalf of other Local Authorities.
6. If the PCN is not paid or challenged during the initial 28 day period, as specified on the front of the PCN, a Notice to Owner will be served on the registered keeper of the vehicle, requiring full payment of the penalty charge. If payment is made within 14 days of the date of issue, then the charge is reduced by 50%. If no payment is received within 14 days then the full amount is required.
7. There are no targets for the number of PCNs that a Civil Enforcement Officer must issue. All Officers undergo comprehensive training and may only issue a PCN if they believe a contravention has occurred.
8. The Police can still issue parking tickets known as a fixed penalty notice for parking on pedestrian crossing zig-zags but this contravention can also be enforced by the Council (without the associated penalty points). The Police also continue to deal with dangerous parking and general obstructions such as parking on footways and moving traffic offences and can take action against any driver where security or other traffic policing safety issues are involved.
9. Currently in the Vale of Glamorgan there are five dedicated Civil Enforcement Officers based at the Alps Depot in Wenvoe.

### Relevant Issues and Options

10. The total number of Parking Charge Notices issued for 2013/14, 2014/15, 2015/16, 2016/17, 2017/18 and part of 2018/19 is shown below. Since inception to 25th October 2018 there have been 38989 notices issued.

Year	Total Number of Contravention Notices Issued	Formal Appeals	Successful Appeals
2013/14	8547	130	67
2014/15	7128	97	33
2015/16	6903	74	28
2016/17	6317	218	28
2017/18	6132	223	32
2018/19 (1st April to 25th October 2018)	3962	89	12
<b>Total</b>	<b>38989</b>	<b>831</b>	<b>200 (24% Success rate)</b>

11. The data for 2017/18 illustrates that PCNs were issued in the Council's main urban areas including Barry, Penarth, Cowbridge, Dinas Powys, Sully, Llantwit Major and Sully as well as other areas such as Ogmore by Sea, Southerndown and at the M4 Junction 34 ( Miskin interchange).

12. Appendix A shows the data for 2017/18 and Appendix B the latest data for 2018/19 from 1st April 2018 to 25th October 2018. This year there has been successful targeted enforcement at several locations as a result of complaints relating to traffic management. As a result Appendix B shows PCNs this year served in locations such as Brig y Don Car Park, Ogmore by Sea (11) and Cymllau Car Park, Southerndown (10). For Committees information the top three streets receiving PCNs for each year to date are as follows:

2013/14           (1) Holton Road, Barry - 1295  
                       (2) Paget Road, Barry - 579  
                       (3) Rivermouth Car Park, Ogmore by Sea - 437

2014/15           (1) Holton Road, Barry - 1066  
                       (2) Windsor Road, Penarth - 636  
                       (3) High Street, Cowbridge - 462

2015/16           (1) Holton Road, Barry - 875  
                       (2) Windsor Road, Penarth - 489  
                       (3) Paget Road, Barry - 419

2016/17           (1) Holton Road, Barry- 1308  
                       (2) Windsor Road, Penarth - 706  
                       (3) Paget Road, Barry - 489

2017/18           (1) Windsor Road, Penarth - 771  
                       (2) Holton Road, Barry - 540  
                       (3) Glebe Street Penarth - 289

2018/19           (1) Windsor Road, Penarth - 359  
                       (2) Holton Road, Barry - 261  
                       (3) Glebe Street, Penarth - 180

(Part 2018/19 to 25/10)

**Resource Implications (Financial and Employment)**

13. The Civil Enforcement or Parking Contraventions (Guidelines on Levels of Charges) (Wales) Order 2008 sets out the levels of charges for parking contraventions that could be imposed in Wales. This information is shown below:

Band	Higher Level Penalty Charge	Lower Level Penalty Charge	Higher Level Penalty Charge	Lower Level Paid Early	Higher Level of Penalty Charge	Lower Level Of Penalty Charge
------	--------------------------------------	-------------------------------------	--------------------------------------	---------------------------------	-----------------------------------------	----------------------------------------

			Paid Early		after Service of Charge Certificate	paid after service of Charge Certificate
Band 2	£70	£50	£35	£25	£105	£75

The order permits for a discounted level of penalty charge which was paid early (that is within 21 days in the case of penalty charges imposed on the basis of a record produced by an approved device and 14 days in all other cases) and a surcharged level of payment after a charge certificate had been issued.

14. The Civil Parking Enforcement service is arranged to be self-financing. For 2017/18 the total costs and income for the service were:

Vale Employee Costs	£367
Supplies and Services	£44,133
Payments to Bridgend CBC	£209,819
Overheads	£3,916
Income	£238,735
Deficit	£19,500

15. The deficit made by the service in 2017/18 is mainly due to additional civil parking enforcement officer resources employed over the summer months. Income remained at a similar level to 2016/17. The initial set up costs for CPE prior to 2013/14 totalled £281k. Of this, £213 was funded from the then Visible Services reserve.
16. Since Civil Parking Enforcement commenced in 2013/14, the surplus or deficit for each year is shown below:
- |         |         |         |
|---------|---------|---------|
| 2013/14 | 5,000   | Deficit |
| 2014/15 | -18,994 | Surplus |
| 2015/16 | -17,212 | Surplus |
| 2016/17 | -466    | Surplus |
| 2017/18 | 19,499  | Deficit |
17. The day to day management of CPE is undertaken by Bridgend County Borough Council. Specific enquiries relating to the existing Traffic Regulation Orders, signs and lines within the Vale of Glamorgan are dealt with by the Council's Traffic Management team. This whole arrangement will need to be reviewed if a new Parking Strategy is implemented in due course.

### **Sustainability and Climate Change Implications**

18. The enforcement of traffic regulation orders increases economic activity in the areas such as our town centres, allowing for the free movement of vehicles in congested areas.

## **Legal Implications (to Include Human Rights Implications)**

19. The Road Traffic Regulation Act 1984 allows highway authorities to make and vary Orders to regulate the movement of vehicular traffic and to improve the amenities of an area.
20. The Traffic Management Act 2004 enables Local Authorities, on application to the Welsh Government, to acquire the powers to enforce parking and movement restrictions.
21. There are no Human Rights Implications with regard to this report.

## **Crime and Disorder Implications**

22. Exercising CPE powers enables the Council to better manage the highway network which improves highway safety and reduces the potential for incidents of disorder.

## **Equal Opportunities Implications (to include Welsh Language issues)**

23. The introduction of CPE benefits all sections of the community by improving highway safety and reducing congestion.

## **Corporate/Service Objectives**

24. The relevant Corporate Plan (2016-2020) Wellbeing Outcome is WO2, an environmentally responsible and prosperous Wales, Objective 4 promoting sustainable development and protecting our environment. The Neighbourhood Services and Transport Service Plan (2018) details the provision of this service in partnership with Bridgend.

## **Consultation (including Ward Member Consultation)**

25. No Ward Member consultation has been undertaken as the matters relates to all areas of the Vale of Glamorgan.

## **Background Papers**

None.

## **Contact Officer**

Emma Reed, Head of Neighbourhood Services and Transport - 029 20673264.

## **Officers Consulted**

Operational Manager Legal Services  
Accountant, Environment and Housing Services  
Principal Traffic Officer  
Operational Manager, Engineering

## **Responsible Officer:**

Miles Punter,  
Director of Environment and Housing Services
