Min. No. 208 – Update on Young Carer Services (DSS) – Recommended	Social Care & Health			
(3) That the Directorate investigate the possibility of introducing a Young Carer Card offering benefits such as discounts to young carers.			<p>Following advice from the National Carers Officers Learning and Improving Network and the Strategic Carers Advisory Group, the decision was made for the cards to be developed locally rather than across swales, therefore central guidance was not issued.</p> <p>In light of this, the Council will collate information on the Young Carers Cards produced by other Local Authorities. A final decision on whether the Council would support this initiative was anticipated during summer 2016.</p> <p>The Committee agreed that a further report will be presented outlining the Council's plans in relation to Young Carer Cards. (18 Jul 16: Min No 186)</p> <p>Report scheduled for the Committee meeting on 13th February, 2017. Added to work programme schedule.</p>	Completed
