Date of Meeting:	Wednesday, 08 February 2023
Relevant Scrutiny Committee:	Homes and Safe Communities
Report Title:	3 <sup>rd</sup> Quarter Scrutiny Recommendation Tracking 2022/23 and Updated Committee Forward Work Programme Schedule 2022/23.
Purpose of Report:	To report progress on Scrutiny recommendations and to consider the updated Forward Work Programme together with any slippage for 2022/23.
Report Owner:	Rob Thomas, Chief Executive
Responsible Officer:	Mark Thomas, Democratic and Scrutiny Services Officer
Elected Member and Officer Consultation:	None.
Policy Framework:	This report is in accordance with the recommendations of the Audit Wales (formerly Wales Audit Office) Democratic Renewal report and acknowledges the recommendations of the review of the Council's scrutiny function.

#### **Executive Summary:**

The report advises Members of progress in relation to the Scrutiny Committee's historical recommendations and the updated Forward Work Programme Schedule for 2022/23:

- 2019-20 Uncompleted Recommendation Tracking (Appendix A),
- 2021-22 Uncompleted Recommendation Tracking (Appendix B),
- 3rd Quarter Recommendation Tracking October December 2022 (Appendix C), and
- Updated Forward Work Programme Schedule for 2022/23 (Appendix D).

#### Recommendations

- 1. That the status of the actions listed in Appendices A to C to the report be agreed.
- 2. That the updated Forward Work Programme Schedule for 2022/23 attached at Appendix D be approved and uploaded to the Council's website.

#### **Reasons for Recommendations**

- 1. To maintain effective tracking of the Committee's recommendations.
- **2.** For public information.

#### 1. Background

- An integral part of effective scrutiny is a mechanism for Scrutiny Committees to monitor their recommendations to ensure that desired actions are carried out and where necessary progress is reported back.
- 1.2 The Forward Work Programme (FWP) Schedule provides a breakdown of reports anticipated to be considered by the Scrutiny Committee over the forthcoming months.

#### 2. Key Issues for Consideration

- 2.1 Appendices A C, as attached to this report, set out the previous recommendations of the Scrutiny Committee and Members are requested to review progress against each recommendation, to assess whether further action may be required, ensure the required action is undertaken and to confirm which recommendations are to be agreed as completed.
- 2.2 It is important that Scrutiny Committee recommendations are tracked and monitored as failure to do so could result in a risk that recommended courses of action will not be followed and consequently lost. This would undermine the credibility of the scrutiny process.
- 2.3 The Committee's FWP has been aligned to the Quarterly Cabinet FWP as endorsed by Cabinet on 19th January, 2023.
- 2.4 Members are requested to confirm approval of the updated Scrutiny Committee Work Programme Schedule attached at Appendix D, it being noted that the schedule is a proposed list of items for consideration and may be subject to change depending on prevailing circumstances
- 2.5 The Scrutiny and Cabinet Roles and Responsibilities Protocol Point 7.6 states it is essential that the Cabinet Work Programme is taken into account when Scrutiny Committees are drawing up their own Work Programmes and also details reports that have been requested by the Scrutiny Committee together with items that require regular monitoring and scrutiny. Other reports will be added to the schedule as and when necessity arises. The schedule will also detail Requests for

- Consideration that have been received and the consideration given by officers of the likely date they can be reported to the relevant Committee.
- 2.6 With regard to Call-in Requests that are made following decisions of Cabinet, as these are required to be dealt with within 20 working days of a Cabinet decision (as per the Council's Constitution), they will be included within the Programme as and when received.
- 2.7 In response to an Audit Wales (formerly Wales Audit Office) review into Scrutiny, the Council has aimed to deliver an annual scrutiny-driven issues planning process for each Scrutiny Committee. The Committee is therefore asked to closely consider its FWP (attached at Appendix D) by identifying:
  - The specific areas of interest for the Committee
  - How to engage Stakeholders (including ward members and general public)
  - The most appropriate forms of scrutiny (e.g. 'task and finish', expert witnesses, site visits, joint approaches to scrutiny, etc.)
  - The issues where scrutiny can have the most impact and value to be gained from consideration.
- 2.8 Discussions in relation to broadening the Work Programmes of all Scrutiny Committees will be subject to further consideration by the Scrutiny Committee Chairs and Vice-Chairs Group having regard to resource implications and corporate priorities. The first meeting of the Group, post the May 2022 Local Government Election, is scheduled for Tuesday, 24<sup>th</sup> January, 2023 at 6pm.
- 2.9 In response to the 2019/20 Scrutiny Impact Member Survey, published in February 2020, the Scrutiny Committee Chairs and Vice-Chairs Group on 3<sup>rd</sup> March, 2021 agreed that Scrutiny Committee Chairs and Cabinet Members were best placed to present the Recommendation Tracking and Forward Work Programme Update Reports at Committee meetings to highlight the fact that both documents were under the Committee's ownership and management.
- 2.10 Published versions of the FWP can also be found on the Council's website via the following link: <a href="https://www.valeofglamorgan.gov.uk/en/our council/Council-Structure/scrutiny/scrutiny">https://www.valeofglamorgan.gov.uk/en/our council/Council-Structure/scrutiny/scrutiny</a> committees.aspx

# 3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1 The Scrutiny Committees have a responsibility to report annually to the Council their future work programmes in the form of a 'Scrutiny Annual Report'. The 2021-22 Annual Report is scheduled to be presented to Full Council at its March 2023 meeting.
- **3.2** Scrutiny Committee FWPs are published by the Council on a quarterly basis which encourages engagement / involvement by the public in the decision-making process.
- 3.3 The Scrutiny Public Participation Guide can be found at <a href="https://www.valeofglamorgan.gov.uk/Documents/">https://www.valeofglamorgan.gov.uk/Documents/</a> Committee%20Reports/Committee%20Information/Public-Speaking-Guides/21-07-26-%E2%80%93-Updated-
