

## Responses to Welsh Language Promotion Strategy Consultation

Respondent	Comment	Amendment
Menter Bro Morgannwg	Action 1.4 – we are planning work of this nature, the current targets are: <ul style="list-style-type: none"> <li>• 2 monthly daytime conversational sessions</li> <li>• 1 monthly evening conversational session</li> <li>• 1 monthly Welsh-medium quiz</li> </ul>	Amended weekly target to monthly.
	Action 2.5– Menter Bor Morgannwg’s central programme is based around the community, not the education sector, so this action does not align with our current priorities.	Removed Menter Bro Morgannwg from list of responsible organisations
	Actions 2.6, 2.7, 2.8 and 2.9 – youth work is not in our current work programme, it would be more appropriate for the Urdd, who are also partly funded by the Council, to be responsible for these actions.	Amend responsible organisations to include the Urdd and not Menter Bro Morhannwg
	Action 3.2 – youth work is not part of our current framework, this should be included in the Council’s SLA with the Urdd.	Amend responsible organisations to include the Urdd and not Menter Bro Morhannwg
	Action 3.4 – current budget does not allow for weekly articles	Remove ‘weekly’ from action
CYPP	Action 2.10 & 2.11 – suggest amendment to wording of action from ‘develop’ to ‘support the development of...’	Actions amended as suggested
Vale of Glamorgan Council Sport & Play Development Team	Additional action to be included – ensure that extra-curricular physical activities are available in a secondary school through the Medium of Welsh	Action added – 2.18
Vale of Glamorgan Council Leisure Service	Action 2.15 - amend wording to clarify action, ‘All WM Primary schools’	Wording amended

Appendix B

Vale of Glamorgan Council Learning & Culture Scrutiny Committee	Figures on pages 20-21 of the Strategy in relation to pupil capacity in primary schools were queried.	These figures have been reviewed and amended by the Learning and Skills Directorate to ensure accuracy.
	There was also a suggestion to consider further the promotion of the Welsh Language in the Council's contract with Legacy Leisure.	This matter was discussed with the Operational Manager for Leisure Services who advised that ongoing discussions were happening with Legacy Leisure in relation to the provision of services in Welsh. The action plan includes an action on Welsh language promotion within the Leisure Centre and Legacy staff will be invited to take part in Welsh Language awareness training.
	It was suggested that the Council invite the Urdd Eisteddfod to the Vale of Glamorgan	This is a matter for Cabinet consideration
Evenlode Primary School Governing Body	Governors offered observations on promotion of Welsh in general but did not request any amendments to the document.	Shared with colleagues in Education department for information. No amendments made to the strategy.
Vale of Glamorgan Council Education department	A draft version of the strategy was shared with colleagues prior to the formal consultation period. As a result of this meeting the actions which did not align with the Council's WESP were removed from the strategy.	The strategy refers to the Councils WESP for actions relating to Welsh Medium Education.
