Reasons for Recommendations

1. In order that Members are aware of the impact of Central South Consortium's work on schools in the Vale of Glamorgan.

1. Background

- 1.1 Since 2012, Central South Consortium has delivered aspects of school improvement services on behalf of the five authorities: Bridgend, Cardiff, Merthyr Tydfil, Rhondda Cynon Taf and the Vale of Glamorgan. This covers 381 schools, 32% of Wales' children. It is a growing region with rapidly changing demographic encompassing increasingly diverse communities across the economic sub region. It remains the region with the highest number of children living in poverty, with just under 1 in 5 children claiming free school meals.
- 1.2 The service delivers challenge and support on behalf of the five local authorities, governed through a Joint Committee of Cabinet Members from each authority. The Joint Committee meets regularly and formally approves the annual business plan and budget for the service, holding the service to account in terms of performance and budgetary control.

- 3.2** This report supports the Council's Wellbeing Outcome 3: An Aspirational and Culturally Vibrant Vale, Corporate Objective 5 'Raising overall standards of achievement' and specifically, addresses these actions:
- Improve standards of achievement for pupils through sharing excellence between schools and the targeting of resources
 - Secure improved outcomes for groups of learners at risk of underachievement, such as those entitled to free school meals
 - Increase the learning opportunities for disadvantaged individuals and vulnerable families
