Recommendations

1. That the Committee considers and agrees items for its Forward Work Programme Schedule for 2025/26 (Appendix A) including areas for deeper dive Task and Finish review investigations.
2. That the remit of the Place Scrutiny Committee, be noted.

Reasons for Recommendations

1. To agree the items and topics that the Place Scrutiny Committee will consider for 2025/26.
2. To note the remit for the new Place Scrutiny Committee.

1. Background

- 1.1** On 10th April 2025, Cabinet agreed proposals for new Scrutiny arrangements to take affect for the 2025/26 municipal year and which were aligned to the new objectives contained within the Council's new Corporate Plan – Vale 2030. A copy of the Cabinet report can be found in the following link:

[https://www.valeofglamorgan.gov.uk/Documents/ Committee%20Reports/Cabinet/2025/25-04-10/Reshaping-Scrutiny.pdf](https://www.valeofglamorgan.gov.uk/Documents/Committee%20Reports/Cabinet/2025/25-04-10/Reshaping-Scrutiny.pdf)

- 1.2** The new arrangements were subsequently agreed by Council at its meeting held on 28th April 2025. Which included a new Committee structure as follows:

Committee Name	Corporate Plan Objective	Remits
Start Well	Giving Everyone a Good Start in Life	Schools, Schools Improvement, Post 16 Education and Training, Skills, Additional Learning Needs (ALN), Youth Services, Flying Start/Families First, Play and Welsh (external policy).
Live Well	Supporting and Protecting Those Who Need Us Creating Great Places to Live, Work and Visit	Adult Services, Children and Young People's Services, Libraries, Arts, Culture, Leisure, Sports, Community Learning, Homelessness, Public Protection and Equalities (external policy).

Committee Name	Corporate Plan Objective	Remits
Place	Creating Great Places to Live, Work and Visit Respecting and Celebrating the Environment	Economic Development and Regeneration, Tourism, Countryside and Parks, Waste management and cleansing, Highways and Engineering, Planning, Transportation, Climate and Nature Emergency, Placemaking and Public and Private Sector Housing.
Resources	Being the Best Council We Can Be	Corporate Policies and Performance, Communication and Participation, Customer Relations, Finance, Procurement, Digital, Property, Human Resources, Equalities (internal policy) and Welsh (internal policy).

- 1.3** A revised and reformatted Work Programme Schedule has been devised by Democratic Services and provides a breakdown of reports anticipated to be considered by the Place Scrutiny Committee over the forthcoming months/municipal year (May 2025 to April 2026). It is also designed to indicate topics of deep dive investigatory Task and Finish review. In addition, it outlines a new mechanism where reports for information and noting will be shared with Members electronically. The new Work Programme also indicates those topics that will be considered via Member's briefings outside of the formal Committee meeting settings.

2. Key Issues for Consideration

- 2.1** The draft Work Programme schedule for 2025/26 attached at Appendix A, has been devised by Democratic Services in consultation with the relevant Directors, Heads of Service and other relevant officers.
- 2.2** To enable more effective scrutiny, the Council has defined the types of scrutiny and how these will take place within the Council. Types of scrutiny will include:

Scrutiny Type	Summary Description
Briefings	Information only or update items which are for noting and where scrutiny can add limited value N.B. Members can utilise the call-in procedure if required
Monitoring	Scrutiny Members consider performance against the Corporate Plan, considering objectives, measures and outcomes at a strategic level

Scrutiny Type	Summary Description
Proposal	Policies are in development and are seeking Scrutiny feedback and recommendations to help shape the Council's future direction
Investigative (Task and Finish)	Committees can take deeper dives into topics using a range of methods based upon the Committee's forward work programme and identified priorities

2.3 Briefings

Information only type items will be cascaded through an alternative medium, likely to be a shared folder, with a notification indicating when new material is available. This will include elements such as reports and presentations from the Council and Partner organisations which would likely not benefit from Scrutiny time but be useful information to support Members in improving their awareness of local, regional and national policy direction. This information could be accessed by all Members on a remote basis whenever they need to access the information. Additionally, sessions will be arranged, often before relevant Scrutiny sessions, to invite officers or wider partners to provide whole Member briefing sessions and presentations as appropriate. This will be facilitated by the Democratic Services team.

2.4 Monitoring

Monitoring of performance information (including objectives, measures and outcomes) would take place in Q2 and Q4 (including end of year self-assessment) only. This will be held in a single joint forum bringing together all existing Scrutiny committees. Whilst a large meeting, this will encourage cross-committee working and learning, and Members would be encouraged to focus questioning upon their "home" Committee's remits. Areas of interest within this forum could be used to shape individual Committee's forward work programmes moving forward, including the potential commissioning of investigative scrutiny.

2.5 Proposals

When a policy is still in its development stage, and where decisions have yet to be taken, there will be opportunities for the Scrutiny Committees to make individual recommendations on these areas which will in turn be fed back to Cabinet to consider as a policy develops. In turn, it is the expectation that Cabinet will provide a response to these recommendations including any rationale for accepting, partially accepting or rejecting.

2.6 Investigative

A Committee may identify an area of work which would benefit from a deeper dive to explore the issue further. These will be in addition to formal committee meetings and facilitated by Democratic Services, with topics initially identified at the start of the year when a Committee is identifying and agreeing its forward work programme. This cross-party work will have a clearly defined scope (defined using systems thinking methodology) with the Cabinet Member sighted

upon and proposed to occur over a 12-week period (with the knowledge that there may need to be flexibility based upon scope).

- 2.7** Task and Finish will leverage the expertise of officers, partners, wider stakeholders alongside evidence and insight from the people of the Vale of Glamorgan. Investigative scrutiny is to hold the Cabinet and officers accountable on specific topics while proactively shaping the Council’s policy direction. This approach will provide a platform for more active participation in the Council’s decision-making processes for all members of the public, who will be invited and encouraged to participate as expert witnesses and share their lived experiences.
- 2.8** Reports and recommendations from these smaller groups will be fed back to the Cabinet Member, Scrutiny Committee and Cabinet for consideration. This feedback loop will help the Council in shaping its future policy direction, ensuring that decisions are informed by a broad range of perspectives and expertise.
- 2.9** Groups would be brought together on a voluntary basis by Members, and anticipated to consist of 4 to 8 Members, and be as politically balanced as practicable, with the Chair decided by the “home” Scrutiny committee. This also presents the opportunity for cross-Committee working (dependent upon the nature of a topic). It is at the group’s discretion as to how they operate in terms of ways of working, and to agree a meeting frequency and time. An exercise to map the skills, knowledge and experience of Elected Members will be undertaken to create an index to support this work and draw upon the talents of all Members in shaping policy.
- 2.10** The proposed timeline guidance, which may be subject to change dependent upon the scope of the work, is outlined below:

Week	Stage	Stage Description
Pre	Initiation	Identification of topic based; sourced from areas such as performance, Reshaping, Corporate Plan, audit reports and Members interests
1	Start up	Appoint Members, agree meeting dates, Members ways of working and Terms of Reference
2-3	Planning and Scoping	Agree key outcomes, action points, evidence collation, including wider stakeholders
4-9	Delivery	Delivery of content of T&F receiving, challenging and sharing information to support direction of travel
10-12	Concluding Report	Production of final report by T&F Chair, including recommendations, to be considered by the commissioning Scrutiny Committee and Cabinet.

- 2.11** Members are requested to consider and approve the proposed Scrutiny Committee Work Programme Schedule attached at Appendix A, and to also

consider areas that may require deep dive investigatory scrutiny by a Task and Finish Review group.

- 2.12** In considering areas for Task and Finish review, the Committee should note that at its meeting held on 28th April 2025, Council recommended that the relevant Scrutiny Committee be invited to consider undertaking a deep dive investigation / Task and Finish review into the powers the Council has to promote byelaws in relation to the issue of “flying rings”. There may also be an opportunity to do similar investigations for other topics, such as a deeper dive into the results of the Tenant & Leaseholder Participation Strategy / STAR survey Improvement Plan.
- 2.13** The work programme schedule is a proposed list of items for consideration and may be subject to change depending on prevailing circumstances.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

- 3.1** Scrutiny Committee FWP's are published by the Council on a regular basis which encourages engagement / involvement by the public in the decision-making process.
- 3.2** The Scrutiny Public Participation Guide can be found at [https://www.valeofglamorgan.gov.uk/Documents/ Committee%20Reports/Committee%20Information/Public-Speaking-Guides/23-12-04-%E2%80%93-Approved-by-Council-Version.pdf](https://www.valeofglamorgan.gov.uk/Documents/Committee%20Reports/Committee%20Information/Public-Speaking-Guides/23-12-04-%E2%80%93-Approved-by-Council-Version.pdf)
