Before I finish this letter, I have something else to ask you...

Don't ever speak to anyone of me, neither of this letter, nor of your "Sacred Gem of permanent protection" nor of the cheque I'm going to send you!

You know that the "Sacred Gem of permanent protection" is sought after by everyone who knows about its existence and that the cheque I'm sending you with your gem is only for you! Unfortunately, I can't help everyone, even if I would do it with pleasure but, YOU are the person chosen by destiny by me, Mr. [REDACTED]. You are meant to profit from the same happiness and the same wealth that I've found with the help of the gem. These are my conditions (as, don't forget... today, thanks to the Sacred Gem, I'm a millionaire several times over and an owner of property and I have more money than I could ever spend.) The Sacred Gem must now be passed on to you!

Consequently, if you want to avoid jealousy and the resulting problems, keep this a secret and don't tell anyone about our letters or about the existence of the gem: **don't show this letter to anyone and destroy it once you've answered me.**

I know that in spite of wealth and success, you'll keep a pure heart and that's why, one day in the future, you'll feel in yourself that you don't need your "Sacred Gem of permanent protection". On this day, just like for me when I had this vision, you'll know exactly which person deserves the gem and you'll pass on the "Sacred Gem of permanent protection" to this person... **Wait until this day comes before speaking about your "Sacred Gem of permanent protection". Our secret must be kept!**

Now, it's time for you to take action! From now on, I'm waiting for your reply to send you your guaranteed cheque along with the "Sacred Gem of permanent protection" as soon as possible. First of all, you need to complete clearly the attached document, "Conscious waiting of the Sacred Gem of permanent protection", (this acts at the same time as the acceptance of receiving your cheque) and to return it today in the reply envelope which I've prepared for you.

Don't forget to prepare yourself for the arrival of the gem with the help of the temporary protection shield and the final ritual of preparation!

Hurry up; your happiness can't wait any longer!

With my friendly regards,

Michael

P.S.: I can imagine the great joy you'll find when reading this letter, but if only you knew up to what point the idea of your magnificent destiny fills me with happiness!
