## **Recommendations**

1. T H A T the Standards Committee consider the report from Bridgend County Borough Council regarding increased collaborative arrangements with the Vale of Glamorgan Council's Standards Committee.
2. T H A T Standards Committee receive a further report following Bridgend County Borough Council's Standards Committee's Meeting on 26th March 2020.

## **Reasons for Recommendations**

1. To ensure the Standards Committee are informed of the findings of the Bridgend County Borough Council Standards Committee regarding increased collaborative arrangements between the two Authorities.
2. To progress joint arrangements if approved by Bridgend County Borough Council's Standards Committee on 26th March 2020.

## **1. Background**

- 1.1 At the Standards Committee meeting on 21st March, 2019 the Monitoring Officer was requested to explore the potential for joint arrangements with a neighbouring Principal Authority, to apply should conflicts of interest arise or Independent Members have personal and prejudicial interests in a matter to the extent that the Standards Committee would be inquorate.
- 1.2 Independent Members of the Vale of Glamorgan Council's Standards Committee undertake to abide by the Council's Members' Code of Conduct which is contained in the Council's Constitution. If an Independent Member has a 'close personal association' with an individual that is the subject of a matter before the Committee, the Independent Member (as would a Vale of Glamorgan Councillor who sits on the Standards Committee) is required to declare such a personal interest and its nature. Given the nature of the business before the Committee such a personal interest may equate to a prejudicial interest, and the Member would then need to withdraw from the meeting.
- 1.3 Guidance is issued from time to time by the Public Services Ombudsman for Wales, with the current guidance providing (in part) as follows:

"Who is a close personal associate?"

Close personal associates include people such as close friends, colleagues with whom you have particularly strong connections, business associates and close relatives. It does not include casual acquaintances, distant relatives or people you simply come in contact with through your role as member or your work in the local community.

Close personal associates can also include someone with whom you have been in dispute, or whom you may be regarded as having an interest in disadvantaging. For example, being a member of the same golf club as another person would not of itself constitute a close personal association but having that person as a weekly golf partner might well do. If you are in doubt, you should ask your Monitoring Officer."

- 1.4** In light of the above guidance the occasions on which a Standards Committee would be inquorate would be rare, particularly given that a meeting of the Standards Committee will be quorate if at least 3 members are present (including the Chairman) and at least half the members present (including the Chairperson) are Independent Members. It being noted that the Vale of Glamorgan Council's Standards Committee comprises 5 Independent Members.
- 1.5** The Chair of the Standards Committee in the Vale of Glamorgan Council (VOG) invited members of Bridgend County Borough Council Standards Committee to attend a meeting of their committee as observers. Members of Bridgend County Borough Council's Standards Committee subsequently attended a meeting on 23rd January 2020. A feedback report on their observations is scheduled to be presented to the Bridgend County Borough Council Standards Committee on 26 March 2020.
- 1.6** At the Vale of Glamorgan Council Standards Committee meeting the Monitoring Officer raised with Members the matter of working towards joint arrangements with Bridgend Standards Committee when matters such as a conflict of interest and not being quorate may arise. The Committee were happy for reciprocal arrangements to be put in place.
