1.0 What is this report about?

1.1 To provide the Standards Committee with an overview of observation visits undertaken by Independent Members of the Committee at Vale of Glamorgan Council and Town and Community Council meetings.

1.2 To update Members on findings arising from observations conducted since the previous meeting of the Committee.

1.3 To provide an update on progress against the agreed two-year observation programme for 2025/26 and 2026/27.

2.0 What are the Recommendations?

	Recommendations – What and How?	Reason for Recommendation – Why?
2.1	T H A T the reports and feedback received in respect of observation visits undertaken by Independent Members of the Standards Committee be noted.	Having regard to the observations undertaken and the role of the Standards Committee.
2.2	T H A T where matters following observation visits are highlighted by Independent Members as requiring further attention, further visits be arranged as and when required.	To maintain a watching brief having regard to the role of the Standards Committee and the Monitoring Officer.

3.0 What is the background to this report?

3.1 The Standards Committee has a statutory responsibility to promote and maintain high standards of conduct amongst elected and co-opted members across the Vale of Glamorgan Council and Town and Community Councils.

3.2 Since 2018 Independent Members have undertaken observations of Vale of Glamorgan Council meetings and, since 2019, Town and Community Council meetings, to support that responsibility.

3.3 Observation visits provide constructive and impartial feedback regarding governance arrangements, conduct, and the management of meetings.

3.4 Observation findings are reported confidentially to the Monitoring Officer, with generic feedback provided to the Standards Committee. Any significant concerns are raised directly with the relevant Council, Chair or Clerk where appropriate.

3.5 An observation programme covering the period May 2025 to April 2027 was agreed by the Standards Committee on 30 January 2025. Outcomes from the programme to date are set out in **Appendix B**.

4.0 What issues are there to be considered?

4.1 Independent Members continue to undertake observations as part of the agreed work programme. Observation reports assist the Committee in assessing whether standards of conduct are being maintained and identifying areas of good practice.

4.2 **Appendix A** provides an update on progress against the current programme in relation to observations conducted during the 2025/26 Municipal year, as well as assignments amongst Independent Members for the 2026/27 Municipal year. Assignments have been proposed

taking in to account the assignment criteria previously agreed by the Standards Committee as per those set out in **Appendix C**.

4.3 Since the meeting of 30 July 2026, five further observations have been scheduled, with five to be reported upon as follows:

Member	Council	Meeting Date
Evans	Ewenny Community Council	9th September 2026
Evans	Llandow Community Council	5th November 2026
Evans	Vale of Glamorgan Resources Scrutiny Committee	11th November 2026
Hendicott	Llandough Community Council	18th November 2026
Alexander	Wick Community Council	19th November 2026

4.4 The Monitoring Officer is in regular contact with a number of Clerks in the Vale of Glamorgan Council principal area and has liaised with a number of Clerks from Town and Community Councils relating to observation visits undertaken by the Independent Members.

4.5 Following the Boundary Commission for Wales Community Review, the Welsh Government confirmed changes to community governance arrangements. However, these changes will not take effect until the 2027 Local Government Elections. It was therefore agreed by the Committee that observations continue on the basis of the current Town and Community Council arrangements during the remainder of the current observation cycle. Following the 2027 Elections, observation arrangements will be revised to reflect the new community governance structure.

5.0 How has evidence been used to inform the report, including the views of others?

5.1 The report is informed by observation reports completed by Independent Members following attendance at Vale of Glamorgan Council and Town and Community Council meetings.

5.2 Feedback received from Town and Community Council Clerks indicates that the observation process is valued and assists councils in sharing good practice and strengthening governance arrangements.

5.3 Discussions have taken place between the Monitoring Officer and several Community Council Clerks regarding good governance, meeting management and continuous improvement.

5.4 Previous Standards Committee decisions have informed the proposed programme for 2026/27. A summary of this is available at Appendix C.

6.0 What are the next steps if the recommendations are approved?

6.1 Independent Members will undertake the remaining observation visits scheduled within the current two-year programme and observation reports and feedback will continue to be reported to the Standards Committee.

6.2 Additional observation visits will be arranged where concerns are identified or where requested by the Monitoring Officer.

6.3 Learning and examples of good practice identified through observations will continue to be shared with Town and Community Councils.

6.4 The observation programme will be reviewed and updated following implementation of community boundary changes after the 2027 elections. the Independent Member Observation Schedule will be amended to reflect a total of 19 Town and Community Councils to observe including the introduction of a new Community Council in Rhoose.

7.0 How does this report support Vale 2030 and Reshaping?

7.1 The report supports strong democratic governance and accountability across the Vale of Glamorgan.

7.2 The observation programme contributes to maintaining public confidence in local government decision-making.

7.3 The programme promotes continual improvement, transparency and high standards of conduct in support of the Council's corporate ambitions.

8.0 How does this demonstrate the Five Ways of Working?

8.1 Long Term – supports sustained improvements in standards and governance across local government.

8.2 Prevention – identifies issues early and enables corrective action before concerns become more significant.

8.3 Integration – aligns with statutory duties in relation to ethical standards, governance and accountability.

8.4 Collaboration – involves engagement between Independent Members, officers, elected Members and Town and Community Councils.

8.5 Involvement – encourages participation and feedback from local councils while sharing examples of good practice.

Vale of Glamorgan Standards Committee

Observations by Independent Members of Vale of Glamorgan Council and Town and Community Council Committee Meetings.

Observation Programme Context and Timeline.

Context

The Standards Committee plays a vital role in upholding democratic integrity and public trust by promoting and maintaining high standards of conduct among elected and co-opted members across all tiers of local government in the Vale of Glamorgan.

As part of the Committee's forward work programme, and in line with its statutory responsibilities, Independent Members of the Standards Committee undertake observations of Vale of Glamorgan Council and Town and Community Council (TCC) meetings. This initiative supports the Committee's aim of promoting and maintaining high standards of conduct by observing how meetings are conducted in practice and offering constructive, impartial feedback.

Feedback reports in respect of observations undertaken by Independent Members of Town and Community Councils (TCCs) are presented to the Monitoring Officer confidentially and verbal generic updates of the reports are presented to the Standards Committee by Independent Members on a regular basis. Any observations that require specific discussion with the Chief Executive of the Vale of Glamorgan Council or Chair of a Committee and the Clerk / Chair of a TCC are undertaken by the Monitoring Officer and / or Principal Democratic and Scrutiny Services Officer.

Observations can be undertaken on a Remote, Hybrid or In-person basis as determined by the relevant Council.

Timeline

In **March 2018**, Independent Members of the Standards Committee agreed to undertake observations at Vale of Glamorgan Council meetings and were reported to the Standards Committee.

In **March 2019**, the process of observing Council meetings was also extended for Independent Members of the Standards Committee to observe and report their findings of TCC meetings. Since then, observations of TCC meetings have become a

standing item in the Standards Committee's work programme, supported by a standardised observation pro-forma.

Independent Member Observations of TCCs were added as a standard item on the Standard Committee's Forward Work Programme for the 2020/21 Municipal Year and a Pro-forma agreed for use by Independent Members during observations.

On **23rd June, 2022** having regard to resourcing implications it was accepted that as a number of Senior Officers and Democratic Services Officers were present at Vale of Glamorgan Council meetings, that such officers be requested to report to the Monitoring Officer any matters that may require attention and / or suggestions for improvement and that such matters subsequently be reported to the Standards Committee as appropriate.

It was however, agreed, that Independent Members would continue to undertake observation visits of TCC meetings on an annual basis and report to the Standards Committee as appropriate.

In **September 2022**, the Monitoring Officer was given discretion to request additional observations of specific TCCs, as needed.

On **8th June 2023**, the Committee subsequently agreed:

- T H A T where observations of TCC meetings are advised by Independent Members to have been managed effectively with no material issues identified observations of such meetings be undertaken on a biennial basis as opposed to on an annual basis.

- T H A T where matters following observation visits of Town and Community Council meetings are highlighted by Independent Members as issues requiring further attention or further visits and / or requests are made by the Monitoring Officer/ Head of Legal and Democratic Services for visits to be undertaken, these be arranged as and when required.

- T H A T where poor practice continued, consideration be given for meetings to be arranged for the Chair and Clerk to either attend a meeting of the Standards Committee or a meeting with the Chair of the Standards Committee and Monitoring Officer / Head of Legal and Democratic Services.

On **30th January 2025**, the Committee subsequently agreed:

- T H A T a schedule of observations visits of Vale of Glamorgan Council and Town and Community Council meetings be prepared and forwarded to the five Independent Members on the Standards Committee to commence from May 2025 to April 2027 when the timetable of the relevant Council meetings were known.

- T H A T the 26 Town and Community Councils be visited once in the period May 2025 to April 2027 by an Independent Member of the Standards Committee unless further visits were deemed to be required following the observations.

- T H A T the five Independent Members consider the Vale of Glamorgan Council timetable of meetings and undertake an observation of one meeting each in the period May 2025 to April 2027.

- T H A T it be accepted that during any year the Monitoring Officer may advise that additional meetings of Vale of Glamorgan Council and Town and Community Councils be observed as considered appropriate.

- T H A T observations following the above visits be verbally reported by the Independent Member to the next available Standards Committee following the visits.

In order that a total of 6 observation visits be undertaken by each Independent Member of the Standards Committee, over a two year period, during the Municipal Years 2025/26 and 2026/27, and that the timetable be assessed on an annual basis to align with the outcomes of the 2025 Boundary Commission for Wales Community Review.

At the same January 2025 meeting, the consensus of the Committee was that TCC visits were a worthwhile exercise and that the allocation of 6 visits per Independent Member (5 x TCC and 1 x VoG) was not considered excessive over a two-year period. Conducting observations provided the Committee with the opportunity to assess if standards were being maintained since previous observations had taken place, as well as offer invaluable support and a critical friend approach for TCCs.

The following suggestions of the Committee were also agreed:

• That, in terms of allocations, Independent Members be rotated across TCC visits to avoid any duplicated observations by the same Independent Member.

• An attempt would be made to conduct visits for half of the 26 TCCs within the 2025-26 Municipal year and the second half in the 2026-27 Municipal Year.

• TCCs to be given advance notice of the Independent Member Observation taking place; and

• Independent Members should remain mindful of the varying size and composition of TCCs when conducting observations.

At the **17th July 2025** Committee Meeting, Members were presented with a report to agree both the Observation Pro-forma and Allocations. Independent Members were also asked to confirm with the Principal Democratic Services Officer their intended dates for attendance at meetings listed in Appendix 2 to that report, as early as possible.

A series of amendments were made to the Observation Pro-forma that was subsequently shared with all Independent Members. To ensure the observation criteria remained relevant, consistent, and fit for purpose.

Following the meeting, the Observation report and the relevant Committee minutes were circulated to all TCC Clerks for information and awareness. To share good practice, support local governance and ensure transparency with TCCs.

At the **20th November 2025** Committee Meeting, the Committee resolved that Independent Members attend observation meetings in person as standard, and where practical to do so, depending on the arrangements put in place by the respective Council for the meeting in question.

2025 Boundary Commission for Wales Community Review

The 2025 Boundary Commission for Wales Community Review in the Vale of Glamorgan followed a multi-year process that began with the publication of Draft Proposals in September 2023 and extensive consultation with Town and Community Councils, stakeholders, and residents. The Commission published its Final Recommendations on 16th April 2024, setting out revised community boundaries designed to better reflect local identities, ensure effective and convenient local government, and improve electoral parity across the county. In May 2025, the Welsh Government accepted these recommendations, confirming significant structural changes including a reduction in the number of community councils from 26 to 19 and a decrease in Councillor numbers from 269 to 205, with several communities being merged to create more resilient governance arrangements ahead of the 2027 local elections. These outcomes mark the most substantial reorganisation of community governance in the Vale in over a decade and provide the framework within which the Standards Committee will continue its two-year observation cycle.

In light of the Welsh Government recommendations not coming in to play until the May 2027 local elections, it was agreed by the Committee that Independent members continue to observe the current 26 TCC structure.

Following the May 2027 Local Government Elections, the Independent Member Observation Schedule will be amended to reflect a total of 19 Town and Community Councils to observe including the introduction of a new Community Council in Rhoose.
