Purpose of Report:	To provide the Committee with information of the work of GVS throughout the year April 2019-March 2020
Report Owner:	Rachel Connor
Responsible Officer:	Rachel Connor
Elected Member and Officer Consultation:	N/A
Policy Framework:	GVS represents the Third Sector on a range of VOGC Partnerships, Board and Joint Working Groups
<p>Executive Summary:</p> <ul style="list-style-type: none"> The report summarises all areas of GVS activity during 2019/20. 	

Recommendation

1. That the Committee receive the report for information

Reason for Recommendation

2. As required by the terms of the VOGC/GVS Deed of Grant

1. Background

- 1.1 Glamorgan Voluntary Services is the County Voluntary Council (CVC) for the Vale of Glamorgan. We are a new independent charity formed from the merger in 2015 of the Vale Centre for Voluntary Services (the previous CVC) and the Vale Volunteer Bureau.
- 1.2 GVS is the umbrella body for the Vale of Glamorgan's third or voluntary sector and our role is to support, develop and represent third sector organisations and promote volunteering in the Vale of Glamorgan. We have a flourishing membership of some 750 community organisations active in the Vale of Glamorgan. We help to improve the quality of life of people and communities by supporting volunteers, volunteering opportunities and voluntary groups.
- 1.3 Thriving and cohesive communities require active engagement and involvement of local people. There is an increasing role for the third sector in the delivery of services and they have an invaluable role as partners and advocates for local communities. Our expert services help to provide a platform for a vibrant and robust voluntary sector.
- 1.4 Our Vision is of a valued and respected Voluntary Sector, in which GVS serves as a trusted leader, effective strategic partner and model of good practice for the Sector.
- 1.5 Our Mission is that GVS aspires to empower people, inspire excellence, and strengthen communities by stimulating and developing voluntary action.
- 1.6 Our values determine what we do and the way we do it. GVS is committed to:
 - Working collaboratively with others
 - Being a learning and enabling organisation
 - Conducting our business with integrity in an open, honest, transparent, and accountable way
 - Recognising and valuing staff and volunteers as our greatest resource and investing in accordingly
 - Voluntary and community action that is fundamental to the development of a democratic and socially inclusive society.
 - Diversity and equality of opportunity.
 - The value and roles of volunteers and is committed to volunteering.
 - Sustainable development.
 - Valuing its independence and is also committed to working in mutually beneficial partnerships with others for the benefit of its citizens.
 - The achievement of quality standards and services.

2. Key Issues for Consideration

ACHIEVEMENTS AND PERFORMANCE

- 2.1 This review looks at what we have achieved and the outcomes of our work in the preceding twelve months. The review also helps us ensure our aims, objectives and activities remained focused on our stated objectives. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities thus ensuring that we continue our promotion of any charitable purpose for the benefit of the communities in the County Borough of the Vale of Glamorgan and the surrounding areas and in particular, the advancement of education, the furtherance of health, the relief of poverty, distress and sickness

Achievements in year

GVS' main achievements during the year fall into the following areas:

IT

- Website

The GVS website is a major asset to the organisation and the wider Third Sector here in the Vale of Glamorgan. The website contains a range of information including the services we offer, learning opportunities and news updates that impact on the voluntary and community centre.

- Social Media

GVS has made a commitment to ensure that Third Sector organisations operating in the Vale of Glamorgan can gain and build on their skills to make full use of 21st century communication mechanisms. A very comprehensive programme of training courses has been developed for groups and organisations operating in the Vale of Glamorgan. This, together with our own extensive use of social media provides an effective and useful tool to share news and information with our members and the wider sector.

- Digital Platforms

During 19/20 GVS, in partnership with County Voluntary Councils across Wales and Wales Council for Voluntary Action continued to use a Wales Wide Customer Relationship Management System (CRM) and a Wales Wide Volunteer Management System.

Development and Advice Services

Our offices in Barry (Barry Community Enterprise Centre) and Llantwit Major (CF61) complimented by outreach services in various locations across the Vale of Glamorgan, are open to members and potential members for advice and development work. We offer information and guidance to assist organisations to operate legally and efficiently e.g. by providing information on registering as a

charity, how to put together a governing document and how to develop policies and procedures.

GVS has provided Third Sector organisations with a range of support to develop ideas and projects. Support has been offered in a variety of ways including face to face meetings, e-mail, telephone consultations and briefing sessions. Our range of GVS branded Information Sheets have become popular and these have been invaluable in helping us deal with the more general day to day enquiries. We endeavour to make sure that all our information is available online via our website, enabling our members to access appropriate development information and advice more effectively and at a time that suits them.

Information Service

We act as an information agency for and about our members, maintaining a comprehensive database and producing a directory of our members to publicise their services; its availability is advertised regularly. We continue to produce information leaflets on our services in Welsh. Our information service was accessed 1800 times with members receiving additional information via e-bulletins on a weekly basis.

“Vista”, the GVS quarterly magazine, is published in house four times a year and is distributed to some 900 groups and individuals. “Vista” is supplemented by regular updates of newsletters on Health, Social Care and Well Being and Sustainable Funding News. Over the past year, 8 updates were produced.

Our comprehensive range of information sheets are available in both English and Welsh for voluntary organisations to access either by hard copy, e-mail or through our website. This service is free to voluntary organisations and continues to be a resounding success.

Practical Services

These are a real benefit to many small voluntary organisations with little or no spare income. Low cost, reliable printing, help with desktop publishing, the loan of display equipment for exhibitions and presentations – these are some of the services that GVS offers its member groups.

Our reprographic services were used 220 times this year with 100% evaluating them as “excellent”. With the help of booklet making, laminating, collating and folding machines, the use of our meeting room and equipment, a professional effect can be achieved by any of our member groups.

Networks and Fora

Our Networks and Fora continue to be a popular way for voluntary and community organisations to access and share information. Networks and Fora supported by GVS were: -

Vale Housing and Homelessness Forum

This Forum is the longest established of all our Networks and Fora. It has been operating ever since GVS came into existence. Its works to terms of reference and is made up of agencies (Third Sector and statutory) that have an interest in housing, homelessness and related problems and issues. The Forum now meets jointly with the Vale Supported People Housing Group. During 2018/19, the Forum met 4 times.

The Forum also links in with other strategic partnerships, networks, and fora, e.g. Safer Vale Partnership, Health Social Care and Well Being Network and the Domestic Abuse Forum.

Vale Voluntary Action and Community Development Network

The Network meets quarterly in locations across the Vale of Glamorgan. A variety of informative and interesting presentations were arranged with GVS officers and guest speakers providing useful input at each meeting. The network is open to any organisation with an interest in volunteering or voluntary action. During the course of the year the Network decided to move more towards receiving briefing sessions and have subject focussed events. However, COVID 19 impacted on moving in this direction and consideration is now being given to having online sessions in the future.

Funding Service

GVS' funding and information service provided support to 140 groups throughout the year with a reported £381,000 of funding obtained as a direct result of the advice and information given by GVS.

Four editions of the Sustainable Funding Newsletter were produced containing information on a range of funders along with other useful articles to assist groups in their search for vital funds. Updates are posted two or three times a week on the funding section of the website and regular weekly e-bulletins are sent to over 700 groups.

12 Funding Events were held with representatives from a range of major funders including the Big Lottery Fund and Heritage Lottery Fund giving valuable advice on a 1-2-1 basis with Third Sector organisations. Some 45 groups attended these sessions. Groups are finding this access to funders, ahead of applying, of great use resulting in a higher success rate.

Funding is still a major issue for many groups as the economic situation becomes harsher for those groups that receive most of their funding from statutory bodies e.g. local authorities. More groups are seeking funding from other sources, e.g. Trusts and Foundations and this is creating a more competitive environment.

Training Service

During the year, 15 group training events were delivered, all aimed at building the capacity of local organisations. Training opportunities offered included: -

- Introduction to Social Media
- Being a Trustee
- Grants – Fit for Funding
- Tackling Twitter
- Volunteer Management
- GDPR, What You Need to Know
- Introduction to Tendering
- Writing Funding Bids
- First Aid

A total of 105 delegates attended the training courses with 100% rating the training as either good or excellent.

GVS provides IT and social media 1-2-1 training courses. GVS held 6 training sessions with all attendees rating the courses as good or excellent.

Partnership, Consultation and Joint Working

The Third Sector is seen as an important partner in supporting the work of statutory bodies in a wide range of areas, and GVS is committed to working in partnership to develop and improve local services.

GVS continues to facilitate Third Sector Representation in formal joint planning in accordance with the agreed Protocol between the Local Authority and the Third Sector, via the Health, Social Care and Well Being Network, or via the full GVS membership where appropriate.

GVS has continued to represent the sector on the Public Service Board, Regional Partnership Board, other strategic partnerships, and appropriate sub-groups, ensuring the voice of the sector and the wider community is heard at all levels. In addition, with the Reshaping of Services agenda, GVS has been heavily involved in consultations and discussions with service providers regarding the participation of the Third Sector in the shaping and delivery of future services. GVS and other Third Sector organisations have been working with the local authority to ensure that people and communities are engaged every step of the way.

Some of the key Strategic Partnerships on which GVS plays a key role include:

- Vale Public Service Board

Health, Social Care and Well Being

The Health, Social Care and Wellbeing Network

This network provides an opportunity to bring together all voluntary organisations operating in the Vale of Glamorgan who have an interest in health and social care. It facilitates a strong, collective voice, supports the involvement of voluntary organisations in planning, development and delivery of health and social care services, influences health and social care policy to bring about change and improve services and facilitates communication between the voluntary and statutory and other sectors. The Network has increased in numbers over the year and currently has over 300 members.

Four Network meetings were held during the year which received a variety of presentations from various agencies. Over 80 organisations attended the Network Meetings during 2019-20.

The Network e-bulletins, due to popular demand, are now sent weekly rather than monthly. The e-bulletins include updates on health and social care services in the Vale of Glamorgan, updates from Cardiff and Vale University Health Board, the Vale of Glamorgan Council, from Third Sector organisations and general wellbeing information.

The Cardiff and Vale University Health Board say that the serious health challenges that face our population can only be tackled by taking a long-term approach and finding new ways of working. GVS is a key partner in supporting the Health Board in developing solutions that are responsive to local need. During 19/20 GVS supported the key strategic principles of the Health Board.

- Funding schemes administered by GVS focussing on Health and Well Being
- Intermediate Care Fund (ICF)
- Cardiff and Vale University Health Charity
- Capital Investment Fund

Volunteering

GVS' volunteering service offers a one-stop resource for information, advice and guidance on all aspects of volunteering for both volunteers and recruiting organisations. We aim to link the skills, experiences, time, and enthusiasm of local people looking to volunteer with organisations seeking to develop their services. This service is delivered through several venues across the Vale, as well as at our main office in Barry, to ensure that we can reach those across the county. The opening of our new centre in Llantwit Major, CF61, has provided GVS with opportunities to further develop our volunteering outreach work.

Volunteering offers valuable experience which could aid study, help someone decide if they are thinking about a change in career or simply give them the opportunity to put something back into their community.

The highlights of our Volunteering Development work in 2019/20:

For Volunteers Week in 2019, we held several events to publicly recognise the difference made by volunteers, to raise the profile of volunteering as well as encouraging others to get involved.

Our Big Volunteer Fayre in January 2020 was a success that exceeded our expectations. A huge thank you must go out to all staff and volunteers who contributed to making the event not only a fantastic showcase for GVS, but also helped widen the opportunities for volunteering to both organisations and to the general public.

- 63 organisations attended
- 264 people visited
- 197 signed up to volunteer

In 2019/20 GVS also held 12 Mini Volunteer Events in Cowbridge, Llantwit Major and Penarth attended by 163 people with over 100 finding a volunteer placement.

Our Youth Work in 2019/20 engaged with 75 young people.

Our Youth Led Grant panel of young people worked together in 2019/20, to help local organisations provide more youth volunteering opportunities in the Vale of

Glamorgan. We were pleased to present cheques to seven successful youth projects with a total of £7,129 distributed.

Our ReBUILD project is funded by the Big Lottery Fund to support people into volunteering to achieve wellbeing and started in April 2019 based in our new centre in Llantwit Major, CF61.

The project is delivering a mental health volunteering project across the western part of the Vale of Glamorgan. With a focus on peer support and meaningful interaction the project has introduced people into volunteering and provided them with the support needed to succeed and improve their physical and mental health.

Our Track 2000 Community Fund complements the ReBUILD project with a part time Volunteer Coordinator developing links with volunteering organisations.

Our General Activity in volunteering has met with success and huge thanks must go to our volunteering staff team, and the volunteers who support our great work.

Volunteers Enquiries 2019/20 - 293

New Volunteering Opportunities Created 2019/20 - 217

GVS's volunteering service offers a huge array of volunteering roles depending on the volunteers' interests and skills. Volunteers provide invaluable help in the work of 3rd Sector organisations and beyond, which often enhance the range of services offered by paid staff.

GVS' Environmental Impact

GVS is committed to the welfare of the environment and endeavours to have a positive environmental impact. GVS recycles its printer cartridges, paper, tins, bottles, cardboard, plastics, and most office equipment. GVS strives to send more and more information by e-mail and is now sending its membership approval packs by e-mail and using electronic questionnaires and evaluation forms instead of hard copies. We are also moving more of our service delivery on line (e.g. virtual meetings) as a direct result of COVID 19.

Efficiency Savings

GVS is committed and determined to make the best use of funders' money so has made efficiency savings in several areas. GVS constantly aims to become more efficient in every area of its work. Some of the saving initiatives include: encouraging over all contacts to receive GVS' Vista magazine and supplements by e-mail; introducing an e-bulletin service; restricting telephone calls made to mobile phones; turning off electrical items when not in use; using a smaller GVS

room for our training courses rather than paying for room hire and encouraging our staff to only print if required. This, together with constant vigilance and hard negotiation, continues to ensure that GVS is getting the best possible deals on contracts and services.

Projects

ReBUILD and Track 2000 (See report in Volunteering)

Connected Carers

The Connected Carers project, funded by the Big Lottery Fund, is led by GVS, and delivered in partnership with Touch Trust and Cardiff & Vale Parents Federation. Connected Carers support family carers of people with a life-long and / or life limiting condition.

Cardiff & Vale Parents Federation arrange social gatherings in venues across Cardiff and the Vale at a range of times which best suit the carers to juggle a meeting with their difficult and demanding caring role. They can discuss their problems with like-minded people, many of whom have experienced similar problems / issues, who completely understand that problem and can offer support and solutions. Touch Trust organise Time For Me days which give carers the opportunity to relax and unwind with a head, body, or foot massage or to take part in a creative workshop.

Third Sector Locality Officer

The project (funded by Cardiff & Vale University Health Board) supported and promoted the development of a dynamic network focussing on the Western Vale of Glamorgan which recognised, linked up and expanded the assets in our communities to support the population's health and wellbeing and helped foster individual and community resilience.

The project provided a mechanism in the Western Vale of Glamorgan area whereby key individuals and local wellbeing activities and assets could be identified, supported, developed, and promoted. Asset and activity gaps were identified, and communities supported to develop opportunities that meet their need.

Dewis

Funded by the Vale of Glamorgan Council, this project aims to encourage Vale based Third Sector organisations to enter their details about their services onto the DEWIS portal – www.dewis.wales

The project focussed on:

- i. Scoping Vale based organisations already on DEWIS and identify target organisations to encourage to enter data and/or update existing entry
- ii. Providing 1-2-1 and group support to identified organisations regarding data entry, updating information
- iii. Arranging for marketing of DEWIS through GVS and other appropriate websites, social media networks and e-bulletins
- iv. Attending appropriate Third Sector meetings and events to promote DEWIS
- v. Acting as editor; receive email updates when entries are going out of date (at 6 months), work with organisations which have not updated, approve updated entries and check accuracy of information
- vi. Attending the editorial group

CF61

GVS has purchased a 99-year lease on the former Llantwit Major Youth Centre, Station Road, Llantwit Major, CF61 1ST. It has been refurbished as a community resource and the venue, now called “CF61”, aims to serve the local community. CF61 is a community space that is available to rent for a multitude of activities at an affordable rate. The building is fully accessible and welcoming. As a venue it is ideal for children’s parties and activities; meetings and conferences; fitness and wellbeing classes as well as many other community activities and functions. The building contains a main hall and two smaller rooms. GVS has organised two successful community fayres.

CF61 has quickly embedded itself in the community with regular sessions including: Wellbeing sessions; Wellbeing Café and FareShare; Volunteering Advice; Boxercise; Music and dance classes; fitness; Tai Chi; youth and children’s activity sessions. All proceeds are re-invested into the Centre to continually improve the facility for the local community.

Achievements

33 private bookings from organisations and businesses, including 14 delivering regular weekly sessions
10 Training sessions

Future Plans

Glamorgan Voluntary Services is well placed to serve and support the third sector and the communities of the Vale of Glamorgan and surrounding area. The sector is operating within a constrained economic environment and GVS is no different especially in the light of the COVID 19 pandemic. As funders and partners are hit by austerity and the impact of COVID 19 the knock on to GVS is very likely to be a reduction in core funding which we have already experienced in real terms from Welsh Government, Local Government and Cardiff & Vale University Health Board. There will also be greater competition for the funding that is available.

It will be important that GVS continues to make efficiency savings in the successful manner of the past year, but having implemented these progressively over a sustained period of time, the opportunity to make such savings continues to reduce year on year.

Different ways of working and delivering services to our membership are constantly being explored with focus on moving more services into digital delivery in the light of the COVID 19 pandemic. It will be imperative that additional sources of funding continue to be secured in the way that we have managed throughout this past year. Above all opportunities to develop unrestricted income streams need to be pursued, whether through donations or standalone income generation as has been achieved in this past year.

We are also in the process of obtaining another building on a long lease via Community Asset Transfer (CAT) from the Local Authority. Our research has shown that the building, with appropriate development and management, would provide the sort of additional income that would greatly assist GVS' financial wellbeing.

Whilst GVS is dedicated to ensuring that all these plans are successful, the Board of Trustees is mindful that its plans must be financially robust and subject to due diligence whilst remaining flexible to meet the ever-changing external environment.

3. How do proposals evidence the Five Ways of Working and contribute to our Well-being Objectives?

3.1 GVS aligns its work to the objectives of the Vale of Glamorgan Council

4. Resources and Legal Considerations

Financial

4.1 GVS receives core funding from VOGC .

Employment

4.2 GVS employs 16 people (as at April 2020)

Legal (Including Equalities)

4.3 Whilst there are no direct legal implications arising from this report, maintaining good relations with GVS will benefit the community in terms of improvement to human rights. The Council's position on equality of opportunity is put into daily

practice through the funding of GVS's work with the voluntary and community groups operating in the Vale of Glamorgan
