Working with the Voluntary Sector

Who are we?

We are a team dedicated to supporting communities, we work with local residents and organisations to determine priorities, make action plans, and seek funding.

Our focus is on regeneration, co-production, collaboration and innovation, driven by communities. We champion community led local development.

Placemaking

Placemaking involves working collaboratively across sectors and disciplines to comprehensively consider the future of distinctive and vibrant places.

Tackling Poverty & Deprivation

Supporting the work of our Public Service Board and helping to deliver objectives from the Wellbeing Plan.

We currently have a dedicated officer working with our most deprived communities to further understand the impact of deprivation on our communities.

Shared Prosperity Fund

The primary aim of the SPF is to build pride in place and increase life chances across the UK. Underpinning this aim are three investment priorities;

- communities and place;
- supporting local business; and
- people and skills
